Dear Mr. Bayles:

At the August 2023 meeting¹, the Accrediting Commission of Career Schools and Colleges (“ACCSC” or “the Commission”) considered the Application for Renewal of Accreditation (Corresponding On-Site Evaluation) and Application for Initial Distance Education submitted by UEI College located in Sacramento, California. Upon review of the July 10, 2023 On-site Evaluation Report and the school’s response to that report, the Commission voted to grant UEI College **Renewal of Accreditation** for a period of five (5) years going forward from October 2020.² Additionally, the Commission also determined that the school met the requirements for initial distance education within the scope of accreditation.

Included with this letter is an ACCSC Approved Program Enclosure as documentation of the school’s approved programs. Although ACCSC accreditation is institutional in nature, all programs offered by the school must be approved by the Commission. UEI College will find the Commission’s requirements for the addition of new programs and modifications to existing programs in the *Standards of Accreditation*.

In accordance with this action, the Commission is enclosing a copy of the school’s Certificate of Accreditation. Through the renewal of accreditation, UEI College has continued its partnership with other educators who are committed to providing programs of quality and to conducting their affairs with integrity. The Commission is confident that the school will take this responsibility seriously with consideration for the many other ACCSC-accredited institutions that have embraced accreditation as a means to enhance student learning and achieve educational goals.

The Commission expects that the school will adhere to the *Standards of Accreditation* on an on-going basis and as revisions are approved and disseminated. Please consult regularly the ACCSC website for updates, important due dates, initiatives, and special events planned for the benefit of the Commission’s accredited institutions as well as instructions for the preparation and submission of the Annual Report, sustaining fees, and annual audit of the school’s financial statements.

For further assistance or additional information, please contact Alicia DeMartini at 703.247.4507 or ademartini@accsc.org.

Sincerely,

Michale S. McComis, Ed.D.

¹ The Commission’s August 2023 action was held in abeyance while the school was part of a system-wide Warning for International Education Corporation. See the Commission’s November 14, 2024 system-wide letter to International Education Corporation.

² The Commission previously granted UEI College initial accreditation for two (2) years effective October 2018. Therefore, the school’s accreditation is effective for a period of five (5) years going forward from October 2020.
