Office Hours
Monday–Thursday: 8:00 a.m. to 8:00 pm
Friday: 8:00 a.m. to 6:00 p.m.

Class Hours
Class hours vary from 8:00 am to 11:00 pm Monday through Friday, and select hours on Saturday.

The school catalog updated annually and is revised periodically through inserts and addenda.

The institution provides a new or prospective student with a school catalog electronically or printed form upon request.
Welcome to United Education Institute! Our years of experience have earned us the trust of employers, and this trust is based on the performance of our graduates. We believe that by teaching skills necessary to succeed in today’s changing world, we help our students achieve success for themselves and the community they live in. United Education Institute makes every effort to ensure accuracy of the information contained in this catalog. The Institution reserves the right to change policies, fees, and courses of instruction during this catalog period upon direction of the United Education Institute Administration and its Chief Executive Officer.

Mission and Objectives

Our Mission
Driving personal and community transformation by empowering students to make a positive and enduring life change.

Our Objectives

- One Standard of Excellence: Provide an industry-related educational and training environment that offers graduate preparedness for entry into their career field.
- Student Success: Offer every student an opportunity to succeed by providing support at every stage of their experience—from admission process to educational experience to post graduate experience with career services.
- Teamwork: Demonstrate the benefits of excellent employee teamwork in a business/educational setting as part of a student’s educational experience.
- Respect: Demonstrate collegiality and mutual respect among colleagues and students.
- Integrity: Comply with all external and internal laws, regulations, and policies governing the institution and in dealing with colleagues and students.
- Customer Service: Provide students with high quality customer service as an example of its value in achieving career goals.
- Changing Lives: Create an organizational culture and community for students and colleagues that empowers them with the opportunity to transform their lives for a better future and to become the best versions of themselves.

School History and Description

United Education Institute is a dba of IEC/AAI Holdings, Inc., which is a wholly owned subsidiary of International Education Corporation (IEC). IEC’s history dates back to 1982 when United Electronics Institute was founded in Los Angeles County, California. In 1989, the corporation expanded to become United Education Institute (UEI) to reflect the addition of a broader range of training programs in the career education field.

In 1998, IEC completed the acquisition of Advanced Career Training (ACT), a career school business that has been delivering quality, career-focused academic programs since 1975. ACT became United Education Institute (UEI) in January, 2010.

In 2009, the eight Southern California United Education Institute campuses became UEI College to further expand their program offerings and include degree granting curriculum. International Education Corporation acquired the American Auto Institute in Cerritos, California in July of 2009. This campus officially became a UEI College location in August 2009 and relocated to Gardena, California, where it welcomed its first students in January 2011.

In July 2010, IEC acquired MCed College in Fresno, California and converted this campus to UEI College. In December of 2012, the Van Nuys campus moved to a new location in Encino, California.

Today, IEC, which operates subsidiaries United Education Institute, UEI Fresno/IEC Holdings, Inc. and IEC/AAI Holdings, Inc., operates a total of fourteen UEI College campuses in the states of California and Arizona and a United Education Institute campus in Morrow, Georgia and Las Vegas, Nevada.

UEI College's first campus was established in Van Nuys, California in October of 1983. Since then, additional Southern California sites have opened, including campuses in Huntington Park (September, 1989), Ontario (June, 1997), Chula Vista (August, 1999), West Covina (March, 2005), San Marcos (March, 2010), Anaheim (March, 2010), Gardena (January, 2011), Riverside (March, 2011), Stockton (September, 2011), and Bakersfield (March, 2012). UEI College's main campus is the Huntington Park location.
In late 2014, UEI College added two new locations in Phoenix, Arizona and Houston, Texas. In March 2017, the name of the Houston campus was changed to Florida Career College and operates under Florida Career College. UEI College opened its Sacramento location in late 2018. United Education Institute opened the Las Vegas location in mid-2020.

The institution does not have a pending petition in bankruptcy; is not operating as a debtor in possession; has not filed a petition within the preceding five years; and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

Ownership and Board of Directors
UEI is a dba of IEC Corporation’s subsidiary companies. IEC Corporation does business as International Education Corporation (IEC).

The members of the Board of Directors for IEC Corporation are Doug Mellinger, Dr. Fardad Fateri, Koonal Bharat Gandhi, Charles Cook, Sandy Lockwood and Justin Topilow. The corporate office of IEC is located at 16485 Laguna Canyon Road, #300, Irvine, CA 92618.

The members of the IEC Leadership team are Fardad Fateri, Ph.D., President & Chief Executive Officer; Sanjay Sardana, Executive Vice President and Chief Financial Officer; and Shoukry Tiab, Chief Operating Officer.

Accreditation and Approvals
Institutional Accreditation
The UEI Campus in Las Vegas is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC).

U.S. Department of Education
All campuses listed above have been approved to participate in the Federal Student Aid program through the U.S. Department of Education (ED).

State Approval
UEI is a private institution, is granted a license to operate a private postsecondary educational institution by the Nevada Commission on Postsecondary Education.

Class Schedules and Holidays
UEI offers year-round enrollment with classes starting approximately every four weeks. All class modules are approximately four weeks in length. (See the Academic Calendar at the end of this catalog)

The programs at UEI are divided into modules that are self-contained units of instruction. Students can enter at the beginning of any module except externship and continue in the cycle until completion of the program. UEI offers morning, afternoon, evening and weekend classes at most locations. All classes are held on campus. UEI does not provide English as a Second Language coursework.

In observance of the following holidays, UEI does not hold classes on: New Year’s Day, Martin Luther King Jr.’s Birthday, President’s Day, Easter Sunday, Memorial Day, Independence Day, Labor Day, Thanksgiving (2 days), and Winter Break. (See the Academic Calendar at the end of this catalog)

Facilities and Equipment
The UEI campus is approximately 35,000 square feet and contains separate space dedicated for classrooms, laboratory facilities and school administration. The campus is designed to teach students the skills required in their chosen career fields. The facility is equipped with the appropriate furniture, equipment, and supplies required to conduct programs effectively. The facility is spacious, clean and present a professional appearance. All laboratories have workstations simulating the actual work environments which students will encounter in a professional setting.

The Student lounge is open to students, and vending machines provide snacks and refreshments. Students should use the lounge when eating and are asked to respect the rights of all students for a clean environment.

Maintaining and preserving the Institution’s facility and equipment is an obligation of all faculty, staff and students. Students are expected to treat the facility and equipment with care and will be held liable for the destruction of Institution property. Students may consume food and beverages in the designated Student Lounge and smoking is prohibited within the facility.
Class Size
UEI limits the size of its classes to maintain the educational soundness of its instructional programs. Class size may vary from one subject area to another and from laboratory to lecture. For student to instructor ratios, please see the supplement insert for this Catalog.

Student Code of Conduct
Professional Appearance and Dress Code
Professional appearance presents the image of performing well in the workplace. UEI prides itself on training the highest quality student for today's workplace, and part of this preparation is the adoption of a professional dress code. We aim for the highest standards and expect our students to have the same goal. The standards are to be followed by all students of the Institution in the laboratory and administrative classes, and at all times while on campus and during externship. Please see your Admissions Representative or the Director of Education for the Professional Appearance and Dress Code information.

Student Conduct
Students are expected to follow all the rules and regulations of UEI and to conduct themselves within the parameters of acceptable behavior at all times. While on school premises or externship sites, students shall conduct themselves in a professional manner. Disruptive behavior, including but not limited to fighting, harassment, cheating, use of profanity, and stealing is not acceptable and may lead to termination from UEI. Use of cell phones for personal use is not permitted during any class or lab sessions and should be kept to a minimum while on campus.

Fraternization Policy
Employees of the Institution are prohibited, under any and all circumstances, from dating or engaging in any fraternization with students, regardless of the student's age and/or regardless of whether the student has consented to such conduct. Further, employees are prohibited from entertaining students or socializing with students outside of the institutional environment. Similarly, any action or comment by an employee which invites sexual or romantic involvement with a student is considered highly unethical, in violation of the Institution's policy, and may result in disciplinary action by the Institution.

Inappropriate behavior between employees and students includes, but is not limited to: flirting; dating; making suggestive comments; requests for sexual activity; physical displays of affection; giving inappropriate personal gifts; frequent personal communication with a student (via phone, notes, e-mail, letters, text messages, social networks, etc.) unrelated to course work or official Institution matters; providing or accepting rides; providing or offering housing; selling or buying anything, even of nominal value; providing alcohol or drugs to students; inappropriate touching; and engaging in sexual contact and/or sexual relations. This is not an inclusive or exhaustive list of inappropriate behavior.

If a student witnesses or is made aware of an Institution's employee's participation in an inappropriate relationship with a student, we ask that the incident be reported to the Executive Director/Campus President and/or the Answer Program immediately.

Drug and Alcohol Abuse Prevention
UEI is committed to maintaining an alcohol and drug-free environment for students and employees. Our culture, driven by a commitment to excellence in all areas, has no room for, and is incompatible with, substance abuse in any form. Accordingly, as a matter of policy, our campuses prohibit the following:

- Reporting to campus under the influence of alcohol or illegal drugs or substances, including illegally obtained prescription drugs.
- Reporting to campus under the influence of legal prescription or non-prescription drugs, if doing so could impair judgment or motor functions or place persons or property in jeopardy.
- The illegal use, sale, manufacture, possession, distribution, transfer, purchase, or storage of alcoholic beverages or drugs on campus premises, or in automobiles or any other vehicle parked on campus premises.

Any violation of these policies will result in appropriate disciplinary action up to and including expulsion, even for a first offense. Violations of the law will also be referred to the appropriate law enforcement authorities.

UEI distributes information on Drug and Alcohol Abuse Prevention to all enrolled students and to new students as an available resource. Despite current educational and prevention efforts, some students make high-risk choices around alcohol and other drug use. UEI makes available a referral service for drug abuse rehabilitation.
programs. Students may refer themselves to the counseling service or may be referred by the school. Faculty and student peers have an obligation to act on concerns regarding alcohol or drug abuse or dependency when encountered in the student. Any student who needs counseling or help with substance or alcohol abuse should consult the Executive Director/Campus President.

No Weapons Policy
UEI prohibits all persons who enter school property from carrying weapons of any kind regardless of whether the person is licensed to carry the weapon or not. Failure to abide by this policy will lead to dismissal from UEI.

Appeal Process
Students have the right to appeal any action by the school (termination from program, etc.). To do so, the student must submit a written appeal within 48 hours to the Executive Director/Campus President, stating the basis for the appeal and include any relevant documentation to support the request. The appeal will be reviewed and responded to within two class days from the date the appeal was filed. When an appeal is granted an academic plan will be presented to the student. Students who have been terminated/withdrawn from the program, including having been auto-dropped for a violation of the attendance policy, will be required to complete the Return of Federal Financial Aid Funds process prior to re-entering their program if the appeal is granted.

Statement of Non-Discrimination
United Education Institute does not discriminate in its education programs and activities (which extends to employment and admission) on the basis of race, color, religion, national or ethnic origin, sex, sexual orientation, gender identity or status, marital, parental, familial, veteran or military service status, age, disability, or any other basis protected by federal, state or local law.

Complaints of sexual harassment should be reported to the Title IX Coordinator in accordance with the Title IX Complaint/Grievance Procedure Policy located in this school catalog. Other incidents of sexual misconduct or discrimination should be reported following the procedures outlined in the Student Complaint/Grievance Procedure Policy outlined in this school catalog. The contact information for United Education Institute's Title IX Coordinator is as follows:

Title IX Coordinator
Senior Director of Human Resources
International Education Corporation
16485 Laguna Canyon Rd Ste. 300
Irvine, CA 92618
(949) 812-7706
TitleIXCoordinator@iecccolleges.com

Title IX Complaint/Grievance Procedure Policy
The purpose of this policy is to outline the duties and responsibilities of United Education Institute ("UEI") in accordance with UEI's Statement of Nondiscrimination and Title IX of the Education Amendments of 1972 ("Title IX"). UEI is committed to providing a work and educational environment free of unlawful harassment and discrimination.

UEI is also committed to providing a prompt response to reports of Sexual Harassment and ensuring every Complainant receives appropriate support, Respondents are treated as responsible only after receiving due process and fundamental fairness, and UEI officials serve impartially without bias for or against any party.

Definitions
Sexual Harassment: conduct on the basis of sex that satisfies one or more of the following:

- A school employee conditioning an educational benefit or service upon a person’s participation in unwelcome sexual conduct (often called "quid pro quo" harassment);
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school’s education program or activity; or
- Sexual Assault (as defined in the Clery Act, 20 U.S.C. § 1092(f)), or Dating Violence, Domestic Violence, or Stalking (as those offenses are defined in the Violence Against Women Act (VAWA)*, 34 U.S.C. § 12291(a)).

- Sexual Assault: As defined in 20 U.S.C. 1092(f)(6)(A)(v), means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
- Dating Violence: As defined in 34 U.S.C. 12291(a)(10), means violence committed by a person (A) who is or has been in a social
relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and, the frequency of interaction between the persons involved in the relationship.

- Domestic Violence: As defined in 34 U.S.C. 12291(a)(8), includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

- Stalking: As defined in 34 U.S.C. 12291(a)(30), means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

*In accordance with VAWA, state definitions for Sexual Assault, Dating Violence, Domestic Violence, Stalking and Consent are contained in the school’s Annual Safety and Security Report (“ASR”). VAWA crimes are reported in the ASR based on the definitions above.

Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, regardless of whether a Formal Complaint has been filed. A Complainant must be the alleged victim unless a parent or legal guardian has a legal right to act on the alleged victim’s behalf.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Actual knowledge: When UEI’s Title IX Coordinator or the applicable Campus President/Executive Director becomes aware of a Sexual Harassment report.

Education program or activity: On or off campus locations, events or circumstances over which the school exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurred.

Policies and Procedures

1. Title IX Policy Statement

UEI strictly prohibits Sexual Harassment and retaliation against any person who reports Sexual Harassment or participates (or refuses to participate) in any Title IX grievance process under this policy.

UEI will respond to a report of Sexual Harassment when it (1) has actual knowledge of Sexual Harassment; (2) that occurred within an applicable school’s education program or activity; (3) against a person in the United States.

If the alleged conduct does not constitute Sexual Harassment, the school may investigate the concern as required by the Student Complaint/Grievance Procedure Policy outlined in this school catalog and/or the Complaint Procedure Policy outlined in the Team Member Handbook.

2. Title IX Coordinator

UEI’s Title IX Coordinator oversees compliance with all aspects of this policy and is designated by UEI to intake reports and Formal Complaints of Sexual Harassment, provide supportive measures, and investigate alleged Sexual Harassment. The contact information for UEI’s Title IX Coordinator is as follows:

Title IX Coordinator
Senior Director of Human Resources
International Education Corporation
16485 Laguna Canyon Rd Ste. 300
Irvine, CA 92618
(949) 812-7706
TitleIXCoordinator@ieccolleges.com

Any person can report sex discrimination, including Sexual Harassment (whether or not the person reporting is the alleged victim) in person, by mail, telephone, or e-mail, using the contact information listed above for the Title IX Coordinator. A report can be made at any time, including during non-business hours. However, responses to reports made outside of business hours, including during weekends and holidays, may be delayed.
3. Supportive Measures

Supportive measures are individualized services reasonably available to ensure equal educational access, protect safety or deter Sexual Harassment. Supportive Measures are available, as appropriate, to the Complainant and Respondent and are non-punitive, non-disciplinary and not unreasonably burdensome to the other party.

Upon receiving a report of Sexual Harassment, the Title IX Coordinator will promptly contact the Complainant confidentially to discuss the availability of supportive measures. The Title IX Coordinator shall notify the Complainant that supportive measures are available regardless of whether a Formal Complaint is filed and explain to the Complainant the process for filing a Formal Complaint.

Supportive Measures are individualized and appropriate based on the information gathered by the Title IX Coordinator. The Supportive Measures needed by the Complainant and/or Respondent may change over time, and the Title IX Coordinator will communicate with each party to ensure that any Supportive Measures are necessary and effective based on evolving needs.

Supportive measures will be provided without fee or charge and may include:

- Counseling;
- Extending deadlines;
- Modifying class or work schedules;
- Placing mutual restrictions on contact between the parties;
- Providing campus escort services;
- Changing work locations; and
- Providing leaves of absence.

4. Formal Complaint

UEI utilizes a prompt, equitable and impartial grievance process to evaluate Formal Complaints of Sexual Harassment, which may be filed by a Complainant or by UEI’s Title IX Coordinator. A Formal Complaint is a document (hardcopy or electronic) filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the school investigate. A Formal Complaint must be signed (physical or digital) by the Complainant, the Title IX Coordinator or otherwise indicate that that Complainant is the person filing the Formal Complaint. When filing a Formal Complaint, the Complainant must be participating in or attempting to participate in the education program or activity of the school at which the Formal Complaint is filed.

The Title IX Coordinator will respect the Complainant’s wishes as to whether the Title IX Coordinator investigates an allegation of Sexual Harassment, unless the Title IX Coordinator determines that not investigating would be deliberately indifferent or harmful to the school community. The Title IX Coordinator may consolidate Formal Complaints where the allegations arise out of the same facts.

Formal Complaints involving employees will also be referred to the Human Resources Department and simultaneously evaluated under applicable employee conduct policies and procedures outlined in the Team Member Handbook.

5. Dismissal of Formal Complaints in Certain Circumstances

The Title IX Coordinator will dismiss a Formal Complaint if the conduct alleged in the Formal Complaint:

- Does not meet the definition of Sexual Harassment;
- Did not occur in the school’s education program or activity; or
- Did not occur against a person in the United States.

The Title IX Coordinator may dismiss a Formal Complaint where:

- Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint or allegations;
- Respondent is no longer enrolled or employed by the school; or
- Specific circumstances prevent the school from gathering evidence sufficient to reach a determination regarding responsibility.

UEI shall provide the parties with written notice of a dismissal, whether mandatory or discretionary, and the reason for the dismissal. Dismissal of the Formal Complaint under this policy does not preclude the institution from investigating the allegations under a different policy such as the Student Complaint/Grievance Procedure Policy outlined in this school catalog and/or the Complaint Procedure Policy outlined in the Team
6. Written Notice of Allegations

Upon receipt of a Formal Complaint of Sexual Harassment, the Title IX Coordinator shall provide written notice of the allegations to the parties. The written notice shall:

- Include sufficient details of the allegations, including the identities of the parties involved, policy alleged to have been violated, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident in order to allow the parties to prepare for an initial interview.
- Inform the parties that they may have an advisor of their choice.
- Inform the parties they will have an opportunity to review evidence obtained during the investigation.
- Include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the entire grievance process.
- Inform the parties that they are prohibited from knowingly making any false statement or knowingly submitting false information during the grievance process.

The parties will also be provided with separate written notice of any investigative interview, meeting or hearing. Interview/meeting notices will include the date, time, location, participants and purpose of the investigative interview or meeting.

7. Informal Resolution

After a Formal Complaint is filed, the school may offer the parties the opportunity to engage in an informal resolution process such as a mediation or informal settlement conference. The school, however, will not offer or facilitate an informal resolution process where the allegations in the Formal Complaint allege that an employee sexually harassed a student.

Before proceeding with an informal resolution process, both parties must give voluntary, informed, written consent. UEI will provide written notice to the parties disclosing the allegations, the requirements of the informal resolution process, and any consequences of participating in the informal resolution process. Any party may withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint at any point prior to agreeing to a resolution.

8. Emergency Removal of Respondents from Campus

UEI may temporarily remove an individual from campus on an interim basis during the pendency of a Formal Complaint in limited emergency circumstances where there is an immediate threat to physical health or safety. Before taking this emergency measure, the school will:

- Undertake an individualized safety and risk analysis to determine whether there is an immediate threat to the physical health or safety of any person arising from the allegations of Sexual Harassment;
- Make an affirmative determination that such an immediate threat exists based on its individualized safety and risk analysis; and
- Provide the Respondent with notice and an opportunity to challenge the emergency decision immediately following the Respondent’s removal.

School administrators will issue timely warnings for incidents reported that pose a substantial threat of bodily harm or danger to other members of the campus community. UEI will make every effort to ensure that a victim’s name and other identifying information are not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. UEI reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Personally identifiable information for victims of Sexual Assault, Dating Violence, Domestic Violence and Stalking will not be included in any publicly available recordkeeping, including Clery Act Reporting and disclosures.

9. Grievance Process

UEI shall investigate all Formal Complaints of Sexual Harassment using its grievance process, which is designed to ensure due process and fairness to all parties. Title IX personnel (Title IX Coordinator, investigators, decision-makers, and individuals who facilitate informal resolution) will be free from conflicts of interest or bias for or
against Complainants or Respondents. Title IX personnel will objectively evaluate all relevant evidence and avoid credibility determinations based on a person’s status as a Complainant, Respondent or witness. UEI shall not impose discipline on a Respondent without going through the required grievance process.

A. Standard of Evidence
For all Formal Complaints of Sexual Harassment (including where employees are Respondents), UEI applies the preponderance of the evidence standard, meaning that it is “more likely than not” that something did or did not occur.

B. Presumption of Non-Responsibility
A Respondent is presumed not responsible for the alleged Sexual Harassment until a determination regarding responsibility is made at the conclusion of the grievance process.

C. Advisor
As outlined in the written notice of allegations, the parties may have an advisor of their choice present at any stage of the process. The advisor is allowed to be present at any meeting, but is required to be at the live hearing for the purpose of conducting cross-examinations. If the party does not have an advisor for the live hearing, UEI shall provide, without fee or charge to that party, an advisor of UEI’s choice. The Complainant and Respondent may not conduct cross-examination.

D. Investigation Process
A Formal Complaint shall be investigated by the Title IX Coordinator or other trained designee (“investigator”), who will conduct interviews and gather evidence. The investigator will objectively evaluate all relevant evidence and avoid credibility determinations based on a person’s status as a Complainant, Respondent, or witness. The investigator shall be free from conflicts of interest or bias for or against the Complainant or Respondent.

Both parties shall have an equal opportunity to submit and review evidence throughout the investigation process, including the opportunity to present fact and expert witnesses and other inculpatory and exculpatory evidence. UEI shall not restrict the parties’ ability to discuss the allegations or gather or present evidence.

The scope of an investigation will vary depending on the allegations and circumstances of each individual Formal Complaint. Each Formal Complaint will be assessed on an individualized basis. For purposes of illustration, an investigation may include the following steps, as appropriate:

- Reviewing the Formal Complaint;
- Gathering additional information or statements from Complainant;
- Gathering information from any witnesses (for example faculty, staff or other students with potentially relevant information);
- Reviewing relevant documentation and policies;
- Obtaining a response, written statement and other information from Respondent.

The investigator shall provide written notice to the parties in advance of any meeting, interview, or hearing conducted as part of the investigation in which they are expected or invited to participate.

E. Review of Evidence
Before concluding the investigation, UEI shall provide the parties and their advisors, if any, the opportunity to inspect and review any evidence obtained during the investigation that is directly related to the allegations raised in the Formal Complaint, including all inculpatory and exculpatory evidence. The evidence will be provided to the parties in an electronic format or a hard copy, and the parties will be given 10 days to submit a written response. The investigator will consider the written responses before the completion of the investigative report.

F. Investigative Report
At the conclusion of the investigation, the investigator will create an investigative report that fairly summarizes the relevant evidence. The investigative report shall be provided to the parties (and their advisors) in an electronic format or a hard copy, and the parties will be given 10 days to submit a written response. The final investigative report will be provided at least 10 days before the live hearing so the parties have the opportunity to review and provide written responses.

G. Live Hearing
If a Formal Complaint is not or cannot be resolved through informal resolution, UEI shall hold a live hearing (“hearing”). The hearing will be overseen by the applicable Campus President/Executive Director or other trained designee (“decision-maker”), separate from the Title IX Coordinator or
investigator. The decision-maker shall be free from conflicts of interest or bias and shall be trained on how to serve impartially, issues of relevance and any technology to be used at the hearing.

The hearing may be conducted with all parties present physically or virtually, so long as all participants are able to see and hear one another in real time. A party is prohibited from solely participating in the hearing by telephone. At the request of either party, the school will permit the parties to be in separate rooms during the entirety of the hearing. The school will create an audio or audiovisual recording, or transcript of the hearing.

1. Cross-Examination

During the hearing, every witness may be subjected to cross-examination by the party’s advisor. The school will allow a party’s advisor to directly and in real time present all relevant questions and follow up questions to another party or witness, including the advisor challenging the credibility of a party. Cross-examination must come from a party’s advisor and may not come directly from a party.

If a party or witness does not submit to live cross-examination, the decision-maker will not rely on any statement made by that party or witness when making the decision about the Respondent’s responsibility. Only statements that have been tested for credibility through cross-examination at the hearing may be considered by the decision-maker in reaching a responsibility determination. This includes statements against interest.

By way of example, if a party makes a statement against interest to the investigator during the investigation, but subsequently declines to participate in the hearing or otherwise be subject to cross-examination, the statement made to the investigator will not be relied upon in making a determination regarding responsibility. The decision-maker will also not draw any inference regarding responsibility based solely on a party’s or witness’ absence from the hearing or refusal to answer cross-examination or other questions.

2. Questions Must Be Relevant

Questions posed to parties and witnesses at the hearing must be relevant. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the decision-maker must determine whether the question being asked is relevant and provide an explanation as to any decision to exclude a question as not relevant. Questions relating to a Complainant’s prior sexual behavior are irrelevant unless the questions are offered to prove someone else was responsible for the alleged conduct or offered to prove consent.

3. Evidence Limitations

UEI will not rely on or seek disclosure of information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege. UEI will not access or use a party’s medical, psychological, or similar treatment records unless the party provides voluntary, written consent.

H. Written Determination

Based on all relevant evidence obtained during the investigation and hearing, the decision-maker shall issue a written determination. The written determination will include a determination of responsibility as well as a written finding of facts. The determination will include a description of the procedure from Formal Complaint through hearing and clearly state a conclusion regarding whether the alleged conduct occurred as alleged or at all and support each conclusion with the rationale relied upon. The written determination will also indicate the sanctions imposed on the Respondent and whether remedies will be provided to the Complainant.

Following a determination of responsibility, appropriate corrective action will be taken, and UEI will take steps to prevent recurrence. Sanctions will be determined on a case-by-case basis. Possible sanctions may include, but are not limited to:

- **Warning**: Notice, in writing, that continuation or repetition of the misconduct may be cause for additional disciplinary action.
- **Disciplinary Probation**: Exclusion from participation in privileged activities for a specified period of time. Additional restrictions or conditions may also be imposed. Violations of the terms of disciplinary probation or any other UEI policy violations may result in further disciplinary action.
- **Restriction on Contact**: Restricting the Respondent from contacting the Complainant.
- **Suspension**: Exclusion from UEI premises, attending classes, and other privileges or activities for a specified
period of time.

- **Expulsion:** Permanent termination of student status and exclusion from UEI premises, privileges, and activities.

- **Termination:** Termination of employment*.

- **Other:** Other sanctions may be imposed instead of, or in addition to, those specified here.

- **Multiple Sanctions:** More than one of the sanctions listed above may be imposed for any single violation.

*Employees are also subject to processes and discipline determined by the campus under the applicable policies outlined in the Team Member Handbook, which are separate and apart from the Title IX process and not constrained by the outcome of the Title IX process.

The determination will be sent simultaneously to the parties along with information to both parties regarding the process of filing an appeal.

I. **Appeals**

Either party is permitted to file a written appeal of a determination regarding responsibility within ten (10) calendar days after receiving the written determination. The written appeal must be limited to 10 pages, double spaced, 12 point font. A party is permitted to appeal only based on the following grounds:

- Procedural irregularity that affected the outcome;
- New evidence that was not reasonably available when the determination of responsibility was made that could affect the outcome; or
- The Title IX personnel had a general or specific conflict of interest or bias that affected the outcome.

The appeal will be ruled on by the applicable Regional Vice President of Operations or other trained designee. The parties will be informed in writing of the outcome of any appeal within thirty (30) days of receipt of the appeal. The appeal decision is final.

J. **Time Frame for Completion of Entire Grievance Process**

Generally, the grievance process consists of filing a Formal Complaint, investigation, hearing, determination (including sanctions and remedies as applicable) and appeal. The grievance process, barring extenuating circumstances, will conclude within ninety (90) days from the date a Formal Complaint is filed. However, the length of time will vary, making the grievance process shorter or longer depending on the complexity of the investigation, the severity and extent of the alleged Sexual Harassment, the quantity and availability of witnesses, and other factors of significance that may affect the length of the investigation. Any delay or extension of the grievance process will be temporary, limited and for good cause and UEI shall notify the parties of the reason for any short-term delay or extension.

K. **Retaliation**

UEI will not retaliate against any individual for exercising rights under Title IX, including the participating in or refusing to participate in the filing of a Formal Complaint, the investigation, or any proceeding or hearing. Examples of prohibited retaliation include intimidation, threats, coercion, or discrimination, and specifically include bringing charges against an individual for student code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same fact or circumstances as a report or complaint of sex discrimination or Sexual Harassment.

Exercising rights protected under the First Amendment does not constitute retaliation. In addition, charging an individual for making a materially false statement in bad faith in the course of an investigation does not constitute retaliation.

If you believe you have been retaliated against, you should contact the Title IX Coordinator or utilize any of the mechanisms outlined in this school catalog or Team Member Handbook.

L. **Recordkeeping**

UEI shall maintain records of Title IX activities as required by law, including records of:

- Sexual Harassment investigations, including any determination regarding responsibility and any audio or audiovisual recording or transcript, any disciplinary sanctions imposed on the respondent, and any remedies provided to the Complainant designed to restore or preserve equal access to the school’s education program or activity;
- Any appeal and the result therefrom;
- Any informal resolution; and
All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. UEI shall create, and maintain for seven years, records of any actions (including any supportive measures) taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, UEI shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the school’s education program or activity. If a school does not provide a Complainant with supportive measures, the school will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

M. Training
The Title IX Coordinator and all personnel involved in the Title IX process outlined in this policy shall be trained on:

- The definition of Sexual Harassment;
- The scope of the school’s education program or activity;
- How to conduct an investigation and grievance process, including hearings, appeals, and informal resolution process, as applicable; and
- How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, bias and sex stereotypes.

Investigators and decision-makers will receive training on issues of relevance, including how to apply the rape shield protections provided only for Complainants. Decision-makers will also receive training on any technology used at a hearing.

UEI shall publish all training materials on the applicable school website on the Student Consumer Information page.

N. Additional Information
Students and employees may contact the Title IX Coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at http://www.hhs.gov/ocr/. To the extent that an employee or contract worker is not satisfied with UEI’s handling of a complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

O. Sexual Violence
In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act ("Clery Act") and the Violence Against Women Reauthorization Act of 2013 ("VAWA"), UEI will provide primary prevention and awareness programs to prevent Sexual Assault, Dating Violence, Domestic Violence and Stalking (collectively referred to as “Sexual Violence”) to students and employees. Additional policies and procedures regarding Sexual Violence are contained in the school’s Annual Safety and Security Report ("ASR") distributed by October 1st of each year. The school’s most recent ASR is located on the applicable school website on the Student Consumer Information page.
**Admission Process**

All prospective applicants must be personally interviewed by a school representative, tour the campus and receive a catalog describing the course offerings and the school policies. Upon the applicant's determination that he/she is interested in pursuing a specific program of study, he/she visits the Financial Planning department to receive information regarding funding options.

UEI offers programs in a hybrid format. Hybrid students are required to attend online and residential classes.

**General Admissions Requirements for all Programs**

Applicants to UEI must be at least 17 years of age and must be a High School graduate or GED holder.

Applicants 18 years of age or older, who are not High School graduates or GED holders, may apply as "Ability to Benefit" students.

Applicants to the Criminal Justice program must be high school graduates or GED holders.

**Proof of High School Graduation**

Applicants must provide Proof of Graduation (POG) in the form of a transcript or diploma from the institution where they received their credential or provide proof of high school equivalency. This POG must be received prior to the student being admitted to the school and the enrollment agreement being signed by an accepting official.

The proof of high school graduation (POG) or equivalent provided by the applicant is printed and signed by the applicant in front of a school official, as proof that the POG is true and correct and belongs to the applicant.

**Technology and Equipment Requirements**

All students may access the computer rooms onsite at the campus to conduct academic activity. Each campus is equipped Wi-Fi and computer rooms that allow access to the internet.

All applicants that apply for admission into hybrid programs must be able to access technology and the internet. On the first day of class, students are expected to attend an on-campus Gateway to Success class/orientation.

Access to technology includes equipment that allows for emails, phone calls, and the use of online learning and interactive tools. The institution’s Learning Management System (LMS) uses a web based system that require a standard web browser.

**Programs Preparing Graduates for a Field Requiring Licensure or Registration**

UEI takes reasonable steps to help ensure you are eligible for licensure or registration if you choose a program that prepares you for a field where licensure or registration is required. There are numerous eligibility requirements for licensure, depending on the field. You are encouraged to review these requirements and do further research if you have any concerns regarding your eligibility. You should discuss any concerns with your Admissions Representative and/or the Director of Education. Licensure requirements for other states may vary. Students are responsible for obtaining the most recent application requirements for any state in which they intend to become employed. Although the school assists students/graduates with obtaining licensure, the ultimate responsibility for securing licensure is that of the student/graduate. For licensure, certification or registration requirements, please see the supplement insert for this Catalog.

**Vaccination Policy**

For Allied Health programs offered by UEI which require vaccinations as part of their externship requirements and potential employment post-graduation, the Admissions Department is responsible for explaining and having the student sign the applicable vaccination disclosure.

**Ability to Benefit (ATB) Admissions Policies**

**Ability to Benefit (ATB)** admission is available on a limited basis and is available for the following programs only: Dental Assistant, Automotive, Business Office Administration, Medical Assistant, Medical Billing and Insurance Coding, Heating, Ventilation and Air Conditioning and Welding. Students who are admitted to the Institution as ATB students will be required to attend academic advising throughout their program.

Additionally, all applicants must complete an interview with a school representative to determine desire, ability and commitment, receive a tour of the campus, review the school catalog and complete and sign the Enrollment Agreement.

An applicant who is not a high school graduate or has not passed the GED and is seeking admission into an ATB eligible program must take and pass a two-part, independently administered,
nationally standardized test recognized and approved by the United States Department of Education that measures basic skills in reading and arithmetic. The Wonderlic Basic Skills Test (WBST) minimum scores are:

- Verbal: 200
- Quantitative: 210

There are two distinct and different Ability to Benefit classifications. First, it will be determined if the applicant is eligible for the Grandfathering ATB Student classification. If the applicant is not eligible, **He/she will need to seek admissions through the Eligible Career Pathways Program – ATB student classification**.

**Documentation Requirements for Grandfathering ATB Students**

Students who were enrolled in an eligible program of study prior to July 1, 2012 may continue to establish Title IV eligibility in any eligible program under one of the ATB alternatives by using the following grandfathering test:

**Question 1:** Did the student attend an eligible program at any Title IV institution prior to July 1, 2012? If yes, the student may use any of the ATB alternatives to become eligible for Title IV, HEA student assistance. If no, continue to Question 2.

**Question 2:** Did the student, prior to July 1, 2012, officially register at a Title IV institution, and is the student scheduled to attend an eligible program? If yes, the student may use any of the ATB alternatives to become eligible for Title IV, HEA student assistance. If no, the student may not use the ATB alternatives to become eligible for Title IV, HEA student assistance.

**ATB Alternatives:**
- Pass an independently administered, Department of Education approved ATB test, or
- Complete at least six credit hours (225 clock hours), that are applicable toward a degree or certificate offered by the institution.

Prior ATB tests provided for eligibility purposes may not apply for enrollment purposes. For enrollment purposes, the applicant must either provide official results for the Wonderlic Basic Skills Test which meet the minimum scores listed above or successfully re-test prior to enrollment.

**Note:** Students who have a prior enrollment at a UEI school and dropped prior to July 1, 2012 are eligible provided at least one day of attendance is posted. The attendance record must indicate that the student’s last day of attendance was on or after the original start date of the student’s program and a Wonderlic ATB test was successfully passed before July 1, 2012.

**Documentation Requirements for Eligible Career Pathways Program ATB Students**

A student who passes the Wonderlic Basic Skills Test with the minimum required scores may enroll in one of the Eligible Career Pathway Programs (ECPP). The ECPP has many components that the student must participate in to continue in the ECPP. These include:

1. Enrollment into and participation in the Adult Education component of the ECPP;
2. Participation in academic advising throughout the ECPP;
3. Participation in Career Pathway Coaching throughout the ECPP.

**Eligible Career Pathway Program (ECPP) ATB Program Requirements**

Students enrolled into an ECPP will be concurrently (at the same time) enrolled in their vocational training program and the Adult Education program. The student is required to attend classes in the Adult Education Program and is expected to participate in those classes. The Adult Education Program will be offered on campus, in a computer lab and will have a facilitator present to support the students. The Adult Education program is offered online and is self-paced enabling a student to obtain their high school diploma while they are attending their vocational program. The Adult Education program is offered by an approved adult education service provider and not by the Institution. The Institution does not guarantee that the student will receive a high school diploma or its equivalent. Completing the vocational component of the ECPP program is not a condition of achieving a high school diploma or its equivalent. Upon successful completion of the adult education component of the program the student may request a copy of their transcript directly from the adult education vendor.

**Participation in the Adult Education component of the program**

**ECPP Participation Advisement**

A student who fails to participate in the adult education component of the ECPP program once
within 14 consecutive days will receive an ECPP participation advisement. A student who fails to participate in the adult education component of the ECPP program once within 45 consecutive days will be placed on a “Withdrawal Warning”.

ECPP Withdrawal
A student who fails to participate in the adult education component of the ECPP program for a period of time as determined by the adult education provider, will be withdrawn from both the adult education component of the ECPP program and the vocational program.

Receiving the earned High School Diploma
Completing the vocational component of the ECPP program is not a condition of achieving a high school diploma or its equivalent. Upon successful completion of the adult education component of the program the student may request a copy of their transcript directly from the adult education vendor.

Transfer of Credit Policy
UEI may accept credit earned at another institution only if that institution is accredited by an agency recognized by either the U. S. Department of Education or the Council for Higher Education Accreditation. The school will provide guidance, a transcript, catalog, syllabus and course descriptions for any student interested in transferring to another institution. Students who have completed similar training courses at other UEI or non-UEI institutions may apply for transfer of credit according to the following policies and procedures:

1. Complete and submit a Transfer of Credit Application to the Director of Education.
2. Provide an official transcript and catalog with course descriptions of the prior post-secondary training. Official transcripts are required to post transfer credits. Unofficial transcripts can be used to evaluate credit. Photocopies will not be accepted.
3. Courses from accredited post-secondary training programs that correspond directly in content, scope and length to UEI courses will be considered for credit.
4. Technical coursework completed within the last three (3) years and general education coursework within the last seven (7) years is eligible for transfer credit review provided all other policy requirements are met.
5. Only training courses with a grade of C or 2.0 or above will be considered for credit.
6. Credit by examination, prior work experience, credit for prior experiential learning, military service, internships or practicum is not accepted.
7. No more than 50% of the total credits of the program can be accepted from transfer credits outside of the UEI school system.
8. Students transferring from another UEI campus or other non-UEI institution may be granted credit for all passing courses, based on the criteria described in Step No. 4.
9. All decisions made by the Director of Education regarding Transfer of Credit are based wholly on the criteria as stated in these policies and procedures.
10. UEI does not charge any fee for evaluating or accepting transfer credits. The approval of transfer credits will reduce one’s tuition charge and may affect financial aid eligibility and the length of one’s program.
11. All Transfer of Credit must be requested, reviewed, and approved prior to the start of a student’s program using an unofficial or official transcript. Credit will only be awarded after official transcripts have been received.

Students who do not agree with the evaluation of transfer credit awarded by the school may file an appeal within three (3) calendar days after receiving the completed Transfer of Credit Application.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at UEI is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma or certificate you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits, diploma or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending UEI to determine if your credits, diploma or certificate will transfer.

The school will provide guidance, a transcript, catalog, syllabus and course descriptions for any
student interested in transferring to another institution.

**English as a Second Language (ESL) Instruction and English Language Proficiency Information**

UEI does not offer ESL instruction and does not require proof of English language proficiency; however, all instruction will occur in English. Therefore, all students must be able to read, write, speak, understand and communicate in English.

**Pregnancy**

The program you enroll in may be physically demanding. As a student in that program, you are expected to participate in all lab sessions to earn lab grades in your modules. Failure to do so will result in a failing grade for the module(s) and/or being dropped from the program. In the event a student is pregnant at time of enrollment or becomes pregnant during the program, the lab requirement will not be waived. The pregnant student must provide a doctor’s note of release as a condition to participate in lab work. A pregnant student will not be permitted to participate in the required lab work without a doctor’s release. The school will take reasonable steps to accommodate a pregnant student who has provided the school with a doctor’s release. Additionally, in the event the baby is delivered during your enrollment period, the school will require a doctor’s note of release to return to lab work. A Leave of Absence (LOA) may be granted pursuant to a student’s written request and eligibility for a leave; however, the LOA must be approved by the school’s administration prior to the leave.

**Articulation Agreements**

UEI does not currently have articulation agreements with other institutions.

IEC is contracted with C4L and Brookshire International Academy, which are providers of adult education services to UEI students that qualify to participate in the Eligible Career Pathway Program.

**Program Tuition and Fees**

There is no registration fee for any program. Any tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed. In the event where the school cancels the program, any tuition paid by the student will be refunded.

Additional fees which might be incurred during your period of enrollment include the following:

- Additional copies of Official Transcripts: $15
- Additional Official Diploma: $30
- Additional unofficial transcripts: $5
- *Late Payment fee: $10
- Replacement of Student ID card: $3
- Graduation ceremony fee: $40
- Uniform-replaced/lost:
  - Business Office Administration (BOA): $17
  - Polo: $14
  - Scrubs Set: $14
- Loan Origination Fee(s): Varies
- Late Interest Accrual Fee(s): Varies

There is no charge for an Education Verification.

The tuition for all programs is due and payable at the time of enrollment. Tuition and fees are the same for in-state and out-of-state students. Tuition can be paid by any of the following methods: Cash, check, credit, loans, grants or scholarships. Please see the tuition table of this catalog, for your program tuition.

*Assessed each month the account remains delinquent. This fee may also be assessed for delinquent institutional and recourse loans.

**Books and Supplies**

All textbooks and training materials for the course will be supplied by the school for student use. Students must furnish their own incidental supplies such as pens, paper, notebooks, etc. Note: Classroom reference textbooks are not issued to students but are supplied in sufficient numbers to complete assignments. Books that are lost, mutilated or not returned timely will be replaced at the student’s expense.

Students may elect to purchase their own books from outside of the institution and opt-out of receiving books from the institution.

**Delinquent Accounts**

Delinquent accounts may result in termination from the program and may be submitted for collection with collection agencies. If a student’s account is over 120 days delinquent, the account is sent to UEI’s internal collection department. If the student’s account is still delinquent after eight months, the account is deferred to an outside collections agency.
Arbitration Agreement
Arbitration and Class Action Waiver Disclosure: UEI College requires each student to agree to a pre-dispute arbitration agreement and a class action waiver as a condition of enrollment (“Arbitration Agreement”). The Arbitration Agreement does not, in any way, limit, relinquish, or waive a student’s ability to pursue filing a borrower defense claim, pursuant to 34 C.F.R. § 685.206(e) at any time. The Arbitration Agreement does not require that the student participate in arbitration or any internal dispute resolution process offered by the school prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 C.F.R. § 685.206(e). Any arbitration, required by the Arbitration Agreement, tolls (pauses) the limitations period for filing a borrower defense to repayment application pursuant to 34 C.F.R. § 685.206(e)(6)(ii) for the length of time that the arbitration proceeding is under way. Any questions about the Arbitration Agreement or a dispute relating to a student’s Title IV Federal student loans or to the provision of educational services for which the loans were provided should be directed to the Answer Program at 866-591-8588.

Federal Financial Aid Information
Financial Assistance, in the form of grants and loans, is available to eligible applicants who have the ability and desire to benefit from the specialized training offered at UEI. If a student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds, as applicable.
To receive financial assistance you must:
1. Demonstrate financial need (with the exception of the Unsubsidized Loan program).
2. Be a U.S. Citizen or eligible non-citizen.
3. Have a valid Social Security Number.
4. If male, be registered with the Selective Service.
5. Maintain satisfactory academic progress while attending school.
6. Sign a statement that certifies that you will use your federal student aid for education purposes only.
7. Not be in default on any federal student loans or owe any money on any federal student grant program.
8. Effective July 1, 2012 – Must have a high school diploma, General Education Certificate (GED) or equivalent or qualify under the Eligible Career Pathway Program.

Students must complete a Free Application for Federal Student Aid (FAFSA) to assist in determining funding eligibility.

Financial Aid Programs
The following are brief descriptions of the Federal financial aid programs available at UEI under the Title IV program:

Federal Pell Grant
A Federal Pell Grant does not have to be repaid. The amount depends on your financial need, costs to attend school, and the program of study. If your parent or guardian was a member of the U.S. armed forces and died as a result of military service performed in Iraq or Afghanistan after the events of 9/11, you may be eligible for additional Federal Pell Grant funds.

Federal Supplemental Educational Opportunity Grant (FSEOG)
Federal Supplemental Educational Opportunity Grants are available to a limited number of students with exceptional financial need. Grants are based on available funds and do not have to be repaid. Need is determined by the financial resources of the student and parents and the cost of attending school.

Federal Work-Study (FWS)
Federal Work-Study provides part-time jobs for students with financial need, allowing them to earn money to help pay education expenses. The program encourages community service work and work related to the student’s course of study. Jobs are limited and students must maintain a minimum required GPA and attendance percentage to qualify.
William D. Ford Federal Direct Loan Program

Direct Loan programs consist of low-interest loans for eligible students to help cover the cost of education. Eligible students borrow directly from the U.S. Department of Education. Direct loans include Direct Subsidized, Direct Unsubsidized and Direct PLUS loans.

Direct Subsidized Loan

Direct Subsidized Loans are available to eligible students with financial need. Students may borrow funds at a fixed interest rate established annually by the U.S. Department of Education. The interest is paid by the federal government while students are in school.

Direct Unsubsidized Loan

Direct Unsubsidized Loans are available for eligible students to borrow for additional education costs. Students may borrow funds at a fixed interest rate established annually by the U.S. Department of Education. With the exception of demonstrating financial need, borrowers must meet all eligibility criteria of the Direct Subsidized Loan Program.

Direct Parent Loan for Undergraduate Students (PLUS)

PLUS loans are federal loans that parents of dependent undergraduate students can use to help pay education expenses. The U.S. Department of Education makes Direct PLUS Loans to eligible borrowers through schools participating in the Direct Loan Program.

Return of Federal Financial Aid Funds

If the student is a recipient of the "Title IV" funds previously described (federal work-study excepted) and withdraws from school prior to completing the program of study, the student may not be able to keep all the financial aid funds received in order to pay the educational expenses.

The school will calculate the amount of financial aid earned up to the last date of attendance using a formula mandated by the U.S. Department of Education. If the amount of Federal Financial Aid Funds received is more than the amount of the aid earned, the difference must be returned to the appropriate "Title IV" program in the following order:

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct Plus Loan
4. Federal Pell Grant
5. Federal SEOG Grant
6. Other "Title IV" loan or grant assistance

Institutional Aid Programs

Scholarship Eligibility and Awarding Policy

The purpose of the UEI Scholarship Program is to provide additional financial assistance to students pursuing a diploma/degree in their chosen program of study.

Scholarship Eligibility Requirements
1) Applicant must be an active/future student attending a UEI Campus.
2) All applicants must complete the UEI Scholarship application and provide all forms applicable to the Campus Student Financial Services Department.

Scholarship Terms and Conditions

1) All Institutional Scholarships will be credited to the student’s account upon graduation.
2) Students may apply and be eligible to receive a maximum of two Institutional Scholarships.
3) Institutional Scholarships are non-refundable to the student, meaning under no circumstances will the student receive a payment from the school for the Institutional Scholarship(s).
4) In the event a credit balance is created by an Institutional Scholarship, it will be applied to any outstanding institutional loan and to the Federal Direct Loan(s) prior to the Institutional Scholarship being reduced and the credit balance removed.
5) Students who are enrolled as an agency enrollment (special tuition charge) are not eligible to participate in the Institutional Scholarship program.
6) The School has sole discretion to determine whether a student meets and is eligible for an Institutional Scholarship in accordance with these terms and conditions.
8) Awards are subject to funds availability.

Institutional Scholarship Programs

Casino Worker’s Relief Scholarship ($5,000)

This scholarship is offered to students who have been recently furloughed or laid off from a casino in the state of Nevada as of 3/1/20 and starts school through March 2021. In order to be eligible, you must provide documentation of separation from casino employment. A student eligible for the Casino Worker’s Relief Scholarship is not eligible for any other institutional scholarship.
Outside Scholarship Programs

Scholarship Eligibility and Awarding Policy:
1. Applicant must be an active student attending a UEI Campus.
2. All applicants must apply
3. Must be in good standing.

Scholarship terms and conditions:
1. Outside scholarship will be credited to the student’s account upon receipt of payment from agency.
2. Awards are subject to fund eligibility.

Other Available Financial Assistance Programs

UEI Institutional Loan Program
This loan program is available to students who need additional financial assistance for tuition and fees. The minimum loan amount is $500 with repayment terms between 12 to 60 months.

Academic Standards

Delivery Method
The institution is approved to offer programs through residential and Hybrid delivery. Under residential delivery, all courses in a program are held at the campus. Hybrid programs are delivered through online lecture and residential/online lab. Externship courses are offered residually (on-ground). Refer to the program outline for details for each program delivery method.

Definition of a Module
All programs at UEI consist of instructional modules. A module is a self-contained unit of instruction. With the exception of the Dental Assistant, Heating, Ventilation and Air Conditioning and Welding, students can enter at the beginning of any module except externship and continue in the cycle until completion of the program.

Definition of a Clock and Credit Hour
The conversion from clock hours to semester credit units is 15 clock hours of lecture, 30 clock hours of lab, or 45 clock hours of externship equals one semester credit unit. A clock hour is defined as a 60-minute span of time in which no less than 50 minutes is devoted to actual class instruction, with the remaining portion being designated as a break. For financial aid purposes, one semester credit unit is equivalent to 37.5 clock hours which includes approved outside/homework hours.

Published Program Length

Instructional Weeks: The total instructional time consisting of lecture, lab and externship required to complete the program as measured in weeks. Instructional weeks are an element only used by regulatory agencies to determine that a program will meet its required objectives.

Normal Time to Complete: The instructional weeks, as noted above, do not include holidays, scheduled breaks or the actual time to complete an externship. Due to various start dates and scheduled breaks within the year, the normal time to complete represents a more accurate completion length of time for the average student in each program. The normal time to complete is the average time from a student’s start date to the student’s graduation date as measured in weeks. This normal time to complete does not however take into account students who receive transfer credits, take a leave of absence or is required to repeat a class.

Student Progress Reporting
At the end of each module, students receive a Progress Report. Students have up to seven (7) days after the module ends to appeal a grade. No changes will be made after seven (7) days.

While on externship students are evaluated on their performance and receive a letter grade.

Make-up Work
Make-up work may be completed to make up for assignments, exams, or other course content missed during classes. The make-up work must be arranged between the student and the instructor. Make-up work may include, but is not limited to, the assignment of additional homework or other assignments comparable to the content covered during the delivery of the class missed. All make-up work must be completed within 7 days after the module ends. Students cannot use Make-up work to make up class attendance hours missed. As defined under the Tardy section of the catalog, missed class time is counted toward the total class hours missed.

Graduation Requirements
To be eligible for graduation and receive a diploma, the student must complete each module in the program with a minimum grade point average of 2.0, meet the attendance requirements for the in-school training as stated in the attendance policy, successfully complete all elements of externship, if required, and current with all financial obligations to the school.
Transcript Policy
Upon successful completion of his/her educational program, each eligible student (as noted above) will receive an official transcript and official diploma. There is no charge for the first official transcript and diploma; however, additional fees will apply for additional copies of official diplomas and official/unofficial transcripts.

Additional copies of an official diploma and official/unofficial transcripts may be obtained at the request of the student. The request should be made through the online portal located on the school’s website: https://www.uei.edu/

Copyright Policy
UEI does not allow or condone the use of UEI resources for the unauthorized distribution of copyrighted material, including peer-to-peer file (P2P) file sharing. Engaging in such activity will result in disciplinary action. Such activity may also subject colleagues, including faculty, staff and students to civil and criminal prosecution.

Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws
Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Attendance Policy
Attendance Requirements
UEI encourages all students to attend class on a regular and consistent basis by adhering to the following attendance policy. Additionally, all students in a hybrid program are expected to submit completed academic activities for the online portion of the program.

Absent - The student will be considered absent if s/he fails to attend the assigned class session. For Hybrid Programs, the lack of academic activity for more than seven (7) consecutive calendar days will result in an absence.

Student Attendance Record Monitoring
Students are required to check their daily attendance records in the student portal in order to ensure his/her attendance was recorded accurately. In the event that a student’s attendance was not recorded accurately, the student must immediately notify the Registrar and/or Director of Education in order to have the attendance record corrected. If a student does not report an issue relating to an attendance record within two school days from the date of attendance, the presumption is that the attendance record is complete and accurate and the student’s right to appeal is waived. Inaccuracies in attendance that have not been checked and corrected may have a detrimental impact on a student’s academic good standing.

Student Attendance Monitoring
Students will be informed, on a regular and timely basis, of their progress in meeting the standards of attendance. Student attendance will be monitored on a daily basis and students must be informed of their attendance on a weekly basis. Students must be advised within the first opportunity after a missed class (the first missed academic activity in the online portion of the program) to discuss and implement actions and options to remedy absenteeism.

Student attendance will also be monitored each module. At the end of a student’s module, a progress report will be automatically generated by the Electronic Student Database (ESD) and sent via email to the student. The progress report will include the student’s current cumulative attendance rate.

Overall Cumulative Attendance for the Program
Repeated modules are counted as attempted modules in assessment of program completion within maximum 150% program length. Attendance percent from the successfully completed repeated module will replace the original attendance percentage. The GPA and academic record will reflect the highest passing grade earned between the two modules.

Based on module availability, students may be asked to take repeated module(s) during the class time that is different from their original schedule.

14 Days of Absences
If a student is absent from school for fourteen (14) consecutive calendar days, including any weekends, in-service days, and days between modules, the student will be withdrawn from school. The 14 consecutive calendar days will not include school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays published in the academic calendar in the catalog.
Tardy
If a student is tardy for class, as defined below:

Tardy - (Residential Programs and Residential Portion of Hybrid Programs) Arriving late for class or leaving early from class. Tardies and early departures will be recorded in 15 minutes increments and rounded to the nearest 15 minute increment as follows:

- 01-07 minutes of every 15 minute period is round down to nearest 15 min increment.
- 08-14 minutes of every 15 minute period is round up to nearest 15 min increment.

Externship Attendance for Diploma Programs
For most programs, the final module of training is externship and is a requirement for graduation. Externships are designed to be instructional in nature by providing students with hands-on experience. While the institution, secures externship sites for students, externships are a cooperative effort between the institution, the students and the externship facilities. Students must be prepared to travel to their externship assignments. The institution will make every effort to secure sites that are within an appropriate distance from the institution, and that are convenient for the students. Students may also locate their own site. In such an event, the institution makes no assurance as to when or if the student’s selected site will be available and may result in a student being withdrawn from the program due to non-attendance. Externships are held at approved off-campus sites. Students in all programs which include an externship are expected to complete their externship hours at a rate of 40 hours per week. Additionally, students are required to attend the hours scheduled until the externship is 100% complete. Students should expect to spend eight hours per day, five days a week during externship and will need to make plans accordingly. While the school will try to accommodate any special scheduling needs, the school does not guarantee evening or weekend externship sites. If, for any reason, the student must miss hours during externship, the student must call the externship site and notify the school prior to the absence and is required to make up the missed hours in order to successfully complete the externship. Students who are unable to secure an externship site within 14 days (as described in the attendance policy) will be dropped from the program.

Leave of Absence (LOA)
If an emergency situation arises, such as a family tragedy, medical condition, or military obligation, making it necessary for a student to interrupt his/her training, the school, at its’ discretion, may permit a student to request a Leave of Absence (LOA). The following criteria are required:

1. The student must request the leave in writing (prior to the expected LOA) and must sign and date a request which states a reason.
2. The applicable School Official must approve and sign the LOA request prior to the start date of the LOA.
3. The reason for the request must provide reasonable assurance that the student will return at the end of the LOA.
4. The school may ask for documentation confirming the reason for the LOA.
5. Acceptable reasons for LOAs include but are not limited to: Medical treatment, death in the immediate family and military obligations. An LOA may not be granted for reasons associated with a student’s academic performance.
6. An LOA will not be granted during the first didactic module unless the student requests a reasonable accommodation under the American’s with Disabilities Act (ADA).
7. Students must return on the start date of a module with the exception of externship (students may return from an LOA anytime to begin or complete externship; students do not need to wait for a module start date to return from an LOA when returning to an externship.)
8. Students may request an extension of an LOA, but the total LOA time must not exceed 180 calendar days within a 12-month period.
9. Students who fail to return on their scheduled LOA return date and/or fail to get an approved extension in advance will be dropped from the program.
10. Upon approval of and during an LOA, the school does not assess the student any additional institutional charges, the student’s need may not increase, and the student is not eligible for any additional Federal Student Aid.

Intent to Return
If a module is unavailable due to unexpected schedule changes, making it necessary for a student to interrupt his/her training, the school may permit a student to remain enrolled if student meets the following requirements:
1. The student must request an Intent to
Return by using a Student Status Change Form available from the school.

2. The intent to return may not exceed 45 calendar days from end of the module student ceased attending school.

3. The applicable School Official must approve and sign the Intent to Return request prior to the start date of the period.

4. Intent to Return may be approved only if the school can determine there is reasonable assurance that the student will return on the scheduled returned date.

5. An Intent to Return cannot be granted in a student’s first didactic module unless the student requests a reasonable accommodation under the American’s with Disabilities Act (ADA).

6. Upon approval of and during the Intent to Return period, the school does not assess the student any additional institutional charges, the student’s need may not increase, and the student is not eligible for any additional Federal Student Aid.

7. The school must provide an explanation to the student, prior to granting the Intent to Return, regarding the effects that the student’s failure to return from an Intent to Return may have on the student’s loan repayment terms, including the expiration of the student’s grace period.

8. Students must return on a module start date of a module needed for graduation. Exception: Intent to Return does not apply to those students on externship or expected to start externship.

9. Student must be physically present in class when attendance was taken. For the online portion of Hybrid programs, students are marked present upon completion of an academic activity.

10. Existing Financial Obligations remain in effect during an Intent to Return period.

11. Students who fail to return to class on their scheduled Intent to Return return date are dropped from the program.

12. An Intent to Return may be extended if a written request is received on or prior to the scheduled return date and it does not extend past the 45 calendar days after the end of the module the student ceased attending.

Satisfactory Academic Progress (SAP)
To be eligible for graduation, a student must successfully complete and pass all modules and achieve a cumulative GPA of 2.0 by the time he/she completes the program. To be considered making satisfactory academic progress (SAP) toward graduation, a student must maintain a minimum cumulative grade point average and progress at a specified rate in order to complete the program within Maximum Time Frame (MTF) equal to 150 percent of the published program length.

Satisfactory Academic Progress is measured according to a SAP evaluation schedule as specified in the Required Completion Rate charts included in this policy. SAP evaluation process and procedures for remediation are outlined in the following section of the policy.

Academic Advisement
Academic advising is provided to students throughout their program, based on individual needs. All Ability to Benefit (“ATB”) students are required to attend advising sessions during their program. Students not meeting Satisfactory Academic Progress (“SAP”) requirements must attend advising sessions until they improve their academic progress or are withdrawn from the Institution.

Grading System
UEI uses the following grading scale:

<table>
<thead>
<tr>
<th>Percent</th>
<th>Letter Grade</th>
<th>Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>90 - 100</td>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>80 - 89</td>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>70 - 79</td>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>60 - 69</td>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>0 - 59</td>
<td>F</td>
<td>0.0</td>
</tr>
</tbody>
</table>

Students who do not achieve a letter grade of “C” or better in any module are considered to have failed that module and must repeat it. When students repeat a failed module, the original grade will be replaced by the new grade which will then be calculated in the cumulative GPA. Until the module is repeated, the “D” or
“F” grade will remain in the student’s cumulative GPA and will be included in the assessment of Satisfactory Academic Progress (SAP).

TC  Transfer Credit  
AF  Attendance Fail  
LS  Leave of Absence during module  
(Attendance in module is less than 25% of scheduled module hours)  
L  Leave of Absence during module  
(Attendance in module is more than 25% of scheduled module hours)  
WS  Withdrawn  
(Attendance in module is less than 25% of Scheduled module hours)  
W  Withdrawn  
(Attendance in module is more than 25% of scheduled module hours)  
EW  An early withdrawal is for all new students whose Last Day of Attendance (LDA) falls after the seventh (7) day but before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module, not including school-scheduled breaks (winter, spring, and summer breaks only) and any holidays published in the academic calendar in the catalog.

Required Grades
Students must complete and pass all modules and achieve a cumulative 2.0 grade point average upon completion of the program to be eligible for graduation. To be considered making satisfactory academic progress toward graduation, a student must pass and achieve an overall cumulative grade point average of 2.0 for all successfully completed modules.

Grade Changes and Repeats
Within 48 hours from the last day of a module, a final module grade will be calculated and entered into the electronic student database. Any change to a final module grade must be completed within seven (7) calendar days from the last day of the module. Requests to change a final grade must be reviewed and approved by the Education department within the Irvine Support Team.

A student who fails a module must repeat that module and pass with a minimum grade point average of 2.0. When repeating a module, the highest achieved grade for that module becomes the official grade and is averaged in the cumulative GPA.

Satisfactory Academic Policy
I. Satisfactory Academic Progress:
To be considered making satisfactory academic progress (SAP) toward graduation, a student must maintain a minimum cumulative grade point average and a minimum rate of completion, which is progress at a specified rate in order to complete the program within Maximum Time Frame (MTF) equal to 150 percent of the published program length. Satisfactory Academic Progress is measured according to a SAP evaluation schedule as specified in the SAP Standards charts included in this policy. The SAP evaluation process and procedures for remediation are outlined in the following section of the policy.

II. Evaluation of Students’ Satisfactory Academic Progress:
For financial aid eligibility purposes, SAP is measured at the end of every financial aid payment period, which usually equates to 4 to 5 consecutive modules, depending on program length. At each evaluation point, the student’s cumulative grade point average (CGPA) and rate of completion are measured. The rate of completion is also cumulative and measures the number of academic credits the student has completed out of the academic credits attempted. The student is also limited to attempting no more than 150% of the program length in academic credits. Also, if at any point it becomes mathematically impossible for the student to complete the program within 150%, the student will become ineligible for additional Title IV and may be withdrawn.

For academic purposes, student progress is monitored at the end of each module. Students who have failed a module will be advised. Advisements must clearly outline consequences of failing to meet minimum cumulative academic requirements, including repeating a module, delaying externship, and/or delaying graduation, and include an action plan. Failure to meet the SAP measurement for either CGPA and/or rate of completion will result in the student receiving academic advisement and being placed on a SAP status of FA warning, FA probation, or termination.

The completion charts below contain the SAP standards for CGPA and cumulative rate of completion for each SAP evaluation point.

| SAP Standards  
8-Modules Program |
<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>SAP Evaluation Schedule</td>
<td>Minimum Rate of Completion</td>
<td>Minimum CGPA</td>
</tr>
</tbody>
</table>

25
All students must have a minimum 2.0 CGPA and a 67% completion rate at the end of the program in order to graduate.

**SAP Sanctions**

**FA Warning:** If a student fails to meet SAP for the first time, the student is formally advised and put on FA Warning through the next SAP evaluation. A student is eligible for an additional disbursement of financial aid while on FA warning status. The student will be notified in writing of this change in SAP status.

**SAP Termination:** If a student fails to meet SAP by the end of the FA warning or probation period and/or fails to meet the outcomes of the Academic Plan, or reaches a point where it becomes mathematically impossible for the student to complete his or her program within the MTF, the student is no longer eligible for financial aid and may be terminated. The student will be notified in writing of this change in SAP status.

**FA Probation:** If a student is on FA warning and fails at the next consecutive SAP evaluation, the student is terminated from financial aid, but may appeal and be placed on FA probation through the next SAP evaluation. Students on FA probation remain eligible for financial aid for one payment period. The student will be notified in writing of this change in SAP status.

**Conditions for Probation:**

1. Student must appeal to be placed on probation;
2. An Academic Plan with a specific timeline and expected rate of completion and/or GPA outcomes is required before an appeal may be granted;
3. In rare instances, the Academic Plan may exceed MTF based on a case by case review. In the event that the Academic Plan exceeds MTF, students are not eligible to receive Title IV.

**Appeal Procedure**

If a student is determined to not be meeting SAP requirements at the evaluation point after the FA warning status, the student is terminated from financial aid but may appeal the termination status. The student must submit a written appeal to the school within seven (7) calendar days after being notified of the adverse determination. The appeal must include what caused the student to fail to meet SAP, which must be an extenuating circumstance, such as an illness or accident, and include a description of what has changed/improved going forward that will allow him/her to achieve SAP by the next evaluation point. Students will be notified in writing of the termination status and their right to file an appeal within two business days of the receipt of the notification. If the appeal is granted, the student’s financial aid will be reinstated for one additional payment period or for the duration of the Academic Plan, as applicable.

**How Different Grades and Statuses Count in the SAP Measurements**

**Leave of Absence:** Actual time taken for an approved Leave of Absence (LOA) and a module in which LOA began will not be included in calculation of pace of completion and maximum time to complete the program.

**Withdrawals:** A module from which a student withdraws and receives the grade “W” or “WS” will be included as an attempted module in calculation of pace of completion and MTF to complete the program, but will not impact the GPA. The “EW” grade does not have a SAP impact.

**Transfer Credits and Repeated Modules:** Transfer credits, failed modules, and repeated modules will be counted as attempted in the rate of completion and the MTF. Transfer credits and repeated modules that are successfully completed will be also counted as successfully completed. Transfer credits are not counted towards the CGPA. For repeat courses, the highest achieved grade for that module becomes the official grade and is average in the CGPA.
Incomplete grades are not given at the institution.

Reentry after SAP Termination
The student may appeal to reenter into the same program; such appeals will be reviewed on a case-by-case basis. An appeal to reenter does not automatically reinstate the student’s financial aid eligibility.

If the appeal is approved, the student is allowed to reenter but will return on the same SAP status as the point of withdrawal. The only exception being an approved appeal and placement on FA probation status. Otherwise, the reentry will be without financial aid and the student will be required to make alternative payment arrangements. The student may also have his or her financial aid reinstated by meeting the minimum SAP standards by the next evaluation point.

Cancellation and Refund Policies
Student Right to Cancel:
The institution’s policy is that all new and re-entry students have the right to cancel the enrollment agreement until midnight of the seventh (7) day from the scheduled start date of the first module not including holidays (but does include weekends and in-service days).

A cancellation determination will be made by the institution for new and re-entry students on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module (for re-entry students, it is the first module in which the student is enrolled upon returning to school), not including school-scheduled holidays and school-scheduled breaks (winter, spring, and summer breaks only) based on the following criteria:

1. Violation of the Student Code of Conduct.
2. Unable to obtain proof of high school graduation or equivalent.
3. Incomplete arrangements to fulfill financial obligations.

All new students whose Last Day of Attendance (LDA) falls on or before midnight of the fourteenth (14) consecutive calendar day from the scheduled start date of the first module, not including school-scheduled breaks (winter, spring, and summer breaks only) and any school-scheduled holidays, when the “EW” status will be automatically assigned by Electronic Student Database.

Note: Cancellations and Early Withdrawals will result in all charges being reversed. The tuition paid will be returned to all students who cancel their enrollment within three (3) business days from the date the enrollment agreement was signed.

In the event an enrolled applicant is rejected, the school cancels the program, a student cancels his/her enrollment during the cancelation period or is a no show/never starts the program, all tuition paid by the student will be refunded.

You have the right to withdraw from a course of instruction at any time. The institution has the right to withdraw a student after the cancellation period for the following reasons:

1. Not meeting minimum attendance requirements.
2. Not meeting minimum Satisfactory Academic Progress
3. Violation of the Student Code of Conduct.
4. Not returning from Leave of Absence
5. Not having been placed on an externship site within 14 days (as described in the attendance policy).
6. An Eligible Career Pathway Program (ECPP) student who fails to participate in the adult education component of the ECPP program for a period of time as determined by the adult education provider.

Nevada Refund Policy
1. The educational institution’s policy for refunds provides:
   (a) That if the institution has substantially failed to furnish the training program agreed upon in the enrollment agreement, the institution shall refund to a student all the money the student has paid.
   (b) That if a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10 percent of the tuition agreed upon in the enrollment agreement or $150, whichever is less, and that if the institution is accredited by a regional accrediting agency recognized by the United States Department of Education, the institution may also retain any amount paid as a nonrefundable deposit to secure a position in the program upon acceptance so long as the
institution clearly disclosed to the applicant that the deposit was nonrefundable before the deposit was paid.

(c) That if a student withdraws or is expelled by the institution after the completion of more than 60 percent of the program, the institution shall refund to the student a pro rata amount of the tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or $150, whichever is less.

(d) That if a student withdraws or is expelled by the institution after completion of more than 60 percent of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

2. If a refund is owed pursuant to subsection 1, the institution shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:
   (a) Date of cancellation by a student of his or her enrollment;
   (b) Date of termination by the institution of the enrollment of a student;
   (c) Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
   (d) Last day of attendance of a student, whichever is applicable.

3. Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds required by this subsection on a case-by-case basis.

4. For the purposes of this section:
   (a) The period of a student’s attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student’s last day of actual attendance, regardless of absences.
   (b) The period of time for a training program is the period set forth in the enrollment agreement.
   (c) Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

Return of Title IV Funds
The U.S. Department of Education maintains a “return of Title IV Funds” policy for students who receive Federal financial aid and withdraw from school before completing sixty percent (60%) of the period of enrollment. This policy is separate from the state-approved institutional tuition refund policy described above. The federal policy defines the proportion of Title IV funds that the student is qualified to receive.

The federal policy for “return of title IV Funds” defines that a student who has attended up through the sixty percent (60%) point in each period of enrollment has fully earned the Title IV funds for the period of enrollment. For a student who has attended less than the sixty-one percent (61%) point, the percentage of the Title IV funds earned is calculated by the following ratio:

Number of calendar days elapsed* from start date of the enrollment period to the last date attended
Percentage of of Title IV Funds
Earned**

Number of calendar days in the period of enrollment

This ratio is multiplied by the federal financial aid disbursed plus the amount that could have been disbursed to equal the Title IV funds earned. Total disbursed minus earned equals the federal funds that must be returned to the funding program.

* Presuming the student attended sixty (60%) percent of all scheduled classes. If the student attended less than sixty (60%) percent of all scheduled classes, “elapsed time” is not applied, actual hours are applied.
** Rounded to the nearest whole number

To comply with the Higher Education Reconciliation Act of 2005, the institution will return unearned federal student aid funds for which it is responsible no later than 45 days after the date the institution determines that the student has withdrawn from school.

Order of Refund
The school will calculate the amount of financial aid earned up to the last date of attendance using a formula mandated by the U.S. Department of Education. If the amount of Federal Financial Aid Funds received is more than the amount of the aid earned, the difference must be returned to the appropriate “Title IV” program in the following order:

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct Plus Loan
4. Federal Pell Grant
5. Federal SEOG Grant
6. Other “Title IV” loan or grant assistance
Withdrawal Date:
The withdrawal date for a student who officially or unofficially withdraws from school is the student’s last date of attendance. The withdrawal date for a student who fails to return from a leave of absence (LOA) is the last date of attendance prior to the start of the LOA.

Date of Determination (DOD)
The DOD is the date used to determine the timeliness of the return of unearned title IV funds. The DOD is the earliest of the following three (3) dates:
1. Date the student provides official notification of intent to withdraw;
2. The date the student failed to comply with one of the school’s published attendance/academic policies;
3. 14 calendar days from the student’s last date of attendance.

Course and Program Changes
UEI has the right, at its discretion, to make reasonable changes in program content, materials and equipment as it deems necessary in the interest of improving the students' educational experience. UEI reserves the right to make changes in organizational structure, policies and procedures as circumstances dictate. When size and curriculum permit, classes may be combined to provide meaningful instruction and training and contribute to the level of interaction among students. When ongoing federal, state, or accreditation changes occur which affect students currently in attendance, UEI is required to make appropriate changes.

Student Services
Student Academic Advisement
UEI's faculty and staff are available to advise students on academic problems, and, if necessary, provide referral to counseling and information on housing, transportation, child care, or additional services when required. Professional and academic development workshops are available to any student who wishes assistance in areas such as relevant coping skills, study skills, test taking, time management and support and motivation while attending. Please contact the Director of Education for information on academic advisement, counseling referrals, and professional and academic development.

Career Services
The school maintains a policy of providing job placement assistance for all of its graduates. No school can ethically promise or guarantee a job. However, UEI does provide assistance with resume writing, interviewing techniques, job-search skills, arranging appointments for job interviews and subsequent follow-up. Please contact the Director of Career Services for additional information on job placement services.

Academic Coaching and Tutoring Support
UEI's instructional staff is available to assist students with academic coaching and additional tutoring to support student success. Students are encouraged to contact the Director of Education to schedule coaching or tutoring appointments.

Student Appreciation and Recognition
UEI believes that student success is our success, and we support the acknowledgement and recognition of our outstanding students. Students may aspire to be recognized at their school for perfect attendance, high academic achievement, serving as a Student Mentor or School Ambassador, and additional awards and recognition. Please contact the Director of Education for information on student appreciation and recognition.

Student Mentoring
UEI provides student mentoring to support new students to assimilate into the school and their program. Student mentors are selected based on their leadership, attitude, attendance, grades and overall school performance. Please contact the Director of Education for additional information on student mentoring programs.

Learning Resources
Based on course offerings, campuses provide ample reference materials required to complete assignments for each program curricula. Resources include access to Internet and printing along with various periodicals, videos/DVDs and volumes housed on campus. Both hybrid and residential students can access learning resources remotely using a computer/smart device with internet connection. Access to the learning resource center is between the hours 8am - 8pm Monday through Friday (hours vary by campus). Online library resource is available 24/7.

Attendance and Leaves of Absence
UEI maintains policies related to attendance monitoring and leaves of absence (LOA). The school regularly monitors student attendance and notifies students of their attendance progress in
each module. For detailed information regarding attendance requirements and LOAs please refer to the Attendance Policy section and Leave of Absence section of this catalog. Students with questions regarding attendance or LOAs should contact the Director of Education.

**Student Complaint/Grievance Procedure**

Students are encouraged to bring any complaints or grievances to the attention of their instructor, if appropriate. If the instructor is not successful in resolving the issue, the instructor will notify the Director of Education. The Director of Education will investigate and assess the issue and make a resolution, notifying the Executive Director/Campus President. If the issue cannot be resolved by the Director of Education, the Executive Director/Campus President is contacted.

If the determination made by the Executive Director/Campus President is not satisfactory to the student, the student may make an appeal in writing to the company's Complaint Hotline, “The Answer Program”, send an email to: Answerprogram@iecglobal.com or call toll free (866) 591-8588. The appropriate individual in the Irvine Support Team will be assigned to the concern immediately and will contact the student to discuss the situation.

**Answer Program**
International Education Corporation
16485 Laguna Canyon Road, Suite 300
Irvine, California 92618

For unresolved complaints students have the right to register a legitimate complaint with the Nevada Commission on Postsecondary Education (Nevada Regulation NRS 394.520 & NRS 394.443).

More information, including complaints forms, is available at www.cpe.nv.gov Or contact: Commission on Postsecondary Education, 8778 S. Maryland Parkway, Suite 115, Las Vegas, NV 89123, (Ph) 702-486-7330, (Fax) 702-486-7340.

Additionally, a student may consider contacting the school's accrediting agency as follows:

If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Please direct all inquiries to:

**Accrediting Commission of Career Schools & Colleges**
2101 Wilson Boulevard, Suite 302
Arlington, VA 22201
(703) 247-4212
www.accsc.org

A copy of the ACCSC Complaint Form is available at the school and may be obtained by contacting the Executive Director/Campus President or online at www.accsc.org.

**GED Referral Program**
Currently UEI does not offer any GED courses. However, for the benefit of students who do not have a high school diploma or GED, the school provides a referral service on the available GED programs near the campus.

**Student Record Retention**
UEI will maintain student records for each student, whether or not the student completes the educational service, for a period ending five (5) years after the date of the student’s graduation, withdrawal, or termination (with the exception of students who cancel their program). Student transcripts will be maintained indefinitely.

**Family Educational Rights and Privacy Act of 1974, As Amended**
The Family Educational Rights and Privacy Act of 1974, as amended (FERPA), is a federal law that protects student information and affords eligible students the following rights with respect to their education records:

1. The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

3. The right to provide written consent before the institution discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

4. The right to file a complaint with the U.S. Department of Education concerning alleged
failures by the institution to comply with the requirements of FERPA.

An “eligible student” under FERPA is a student who is 18 years of age or older who attends a postsecondary institution. Please find a more detailed discussion of each of these rights and guidance regarding the manner in which they may be exercised below.

1. The right to inspect and review the student’s education records within 45 days of the day the institution receives a request for access.

With certain exceptions, an “education record” is defined under FERPA as any record (1) from which a student can be personally identified and (2) that is maintained by the institution.

A student wishing to inspect his or her education records should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The school will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of education records the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

To question the accuracy of education records, students should first informally confer with the custodian or originator of the record at issue. A student who then wishes to ask the school to amend a record should write the official responsible for the record, clearly identifying the part of the record that he or she believes should be amended and the basis for why it should be amended.

If the school decides not to amend the record, it will notify the student in writing of the decision and the student’s right to a hearing with school officials regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.

Note: The preceding procedure shall not be available to challenge the validity of a grade or score given by an instructor or any other decision by an instructor or official, but only whether the recording of such grade or decision is accurate or complete.

3. The right to provide written consent before the institution discloses PII from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

Students may consent to their school disclosing PII from the student’s education record to a third party. This consent must be made to the Registrar, in writing, signed and dated by the student, and must (1) specify the records to be disclosed, (2) state the purpose of the disclosure, (3) and identify the party to whom the disclosure is to be made. This release requirement is applicable to disclosures to parents or other family members who inquire about a student’s education record.

There are instances in which a school is permitted to disclose a student’s education records without a student’s prior written consent. In accordance and subject to all FERPA requirements, our school may disclose education records without a student’s prior written consent as follows:

• To other school officials, including teachers, within the school whom the school has determined to have legitimate educational interests.

• To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer.

• To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities.

• In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.

• To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.

• To accrediting organizations to carry out their accrediting functions.

• To parents of an eligible student if the student is a dependent for IRS tax purposes.

• To comply with a judicial order or lawfully issued subpoena.
• To appropriate officials in connection with a health or safety emergency.
• Information the school has designated as “directory information.”
• To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
• To the general public, the final results of a disciplinary proceeding if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her.
• To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21.

As stated above, FERPA permits institutions, within established guidelines, to disclose “directory information” without a student’s prior written consent. This provision enables institutions to provide beneficial services to students such as verifying enrollment for insurance purposes, verifying diplomas earned for employment purposes, providing basic contact information so that students may contact each other, and so on. Our school has identified the following items as directory information:

- Name, address, telephone number, and e-mail address
- Date and place of birth
- Enrollment status
- Dates of attendance and graduation
- Field of study
- Diploma/Degree received

Students may request that directory information not be released. To request restriction of directory information, a request must be made. Please contact the campus Registrar or a Student Finance representative who will assist with this process.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA.

Students wishing to file complaints relating to FERPA matters may submit such complaints to the following office of the U.S. Department of Education that administers FERPA: Family Policy Compliance Office

U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-4605
Phone: 202-260-3887

In addition, our school encourages students to file any such complaints or concerns with our school pursuant to the Student Complaint/Grievance Procedure located in our School Catalog.

Students with questions regarding their rights pursuant to FERPA, or desiring additional guidance concerning the appropriate manner in which to exercise such rights at their school, can contact the Executive Director/Campus President.

Crime Awareness and Campus Security

Annually, UEI publishes a Campus Security Disclosure that contains detailed information regarding crime statistics for each campus. Additionally, the school distributes pertinent information related to the school’s policies and procedures for maintaining campus security. This report provides the student with detailed information regarding the school’s procedures and measures for crime prevention and instructions for reporting crimes.

Students are responsible for their own security and safety and must be considerate of the security and safety of others. The school is not responsible for any student’s personal belongings that are lost, stolen or damaged on campus, in parking lots, at externship sites, or during any school activities.

Housing

The institution has no responsibility to find or assist a student in finding housing does not offer any dormitory facilities nor does it offer any assistance locating off-site housing; however, ample housing options are available near all campuses.
Automotive Technician

Automotive Technician
Diploma

Instructional Weeks: 36
Normal Time to Complete: 40
Delivery Method Offered: Hybrid

Program Objective

The Auto Technician diploma program prepares students to successfully enter the workforce in an entry-level position in automotive maintenance and repair. It consists of a well-balanced comprehensive program that combines the theoretical aspects of automotive diagnostics with direct hands-on practical training in repair procedures in a shop environment. The program introduces students to basic and advanced automotive technology including engine theory, fuel systems, fuel injection theory, electrical diagnosis, ignition systems, carburetor repair, tune-up and onboard-computerized engine control. The program also provides instruction in brakes, heating and air-conditioning, manual and automatic transmissions, and front-end alignment. Particular emphasis is placed on hybrid drive systems and emerging auto technologies. Students will gain professional skills such as understanding instructions, communicating effectively, and completion of basic automotive diagnostic, repair and safety procedures.

The program is 36 weeks long and consists of nine modules. Each module is 80 hours and is conducted in both a classroom and shop environment on campus. Tests and/or quizzes are administered weekly during each didactic module; however, there is no final examination for the program. Additionally, there is no externship for this program as all practical experience can be conducted in a shop environment.

Career Outcomes

This program prepares students for entry-level positions, such as Dealer Auto Service Technician, Independent Shop Auto Technician, Service Writer, Retail Parts Associate, Parts Specialist, Performance Engine and Suspension Tuning, Alternative Fuels Technician, and Preventive Maintenance Technician.

Program Information

Business Office Administration

Business Office Administration
Diploma

Instructional Weeks: 36
Normal Time to Complete: 43
Delivery Method Offered: Hybrid

Program Objectives

Upon completion of this program, students will be prepared for an entry-level office administration position in a typical business environment. Students are trained to fully utilize computer software such as Microsoft Word, Excel, Outlook, PowerPoint, and QuickBooks, and along with gaining a basic understanding of Customer Service, and thorough knowledge of Communication, Organization and Accounting Skills.

The program is 36 weeks long and consists of eight modules. The first seven modules are 80 hours each and are conducted in a classroom and laboratory environment on campus. Tests and/or quizzes are administered weekly during each didactic module; however, there is no final examination for the program. The eighth module is spent in an externship consisting of 250 hours of on-the-job training at an approved externship employment site in the community.

Career Outcomes

This program prepares students for positions such as Administrative Assistant, Customer Service Representative, Word Processor, Data Entry Operator, Secretary and Human Resource Assistant.

Program Information

Criminal Justice

Criminal Justice Diploma

Instructional Weeks: 36
Normal Time to Complete: 40
Delivery Method Offered: Hybrid

Program Objective

The objective of the Criminal Justice diploma program is to prepare students to successfully enter the workforce in a variety of entry-level positions in the field of criminal justice and/or security. Upon completion of the program students will have a thorough understanding of the legal system in the U.S., as well as a solid grounding in the operational expectations and standards found in various law enforcement and security agencies. Graduates will be proficient with many of the technical skills commonly utilized in the criminal justice environment as well as developing the professional demeanor and workplace behaviors expected of entry-level employees.

The program is 36 weeks long and consists of nine modules. Each module is 80 hours and is conducted in a classroom and laboratory environment on campus. Tests and/or quizzes are administered weekly during each didactic module; however, there is no final examination for the program. Additionally, there is no externship for this program as all practical experience will be conducted in a lab setting.

Career Outcomes

This program prepares students to successfully enter the workforce in a variety of entry-level positions, such as Security Officer, Hotel/Retail Loss Prevention, Emergency Dispatcher, Private Investigator Employee, and Store Detective/Retail Security.

Heating, Ventilation and Air Conditioning

Heating, Ventilation and Air Conditioning
Diploma

Instructional Weeks: 36
Normal Time to Complete: 40
Delivery Method Offered: Hybrid

Program Objective

The objective of this program is to provide students with the knowledge and technical skills necessary to pursue entry-level employment in the heating, ventilation and air conditioning field, which includes selling, installing and maintaining residential equipment. The program is designed to provide students with instructions and hands-on training in areas such as: installation, maintenance, repair, troubleshooting and basic design of refrigeration heating and air conditioning systems along with a focus on service operations. The curriculum includes hands-on lab simulations to help prepare students for field service work typically performed by installation technicians, shop service technicians, repair technicians, and apprentice mechanics. The 9-month HVAC program includes preparation for two important certifications for HVAC professionals: (1) EPA Section 608 Certification for Stationary Air Conditioning and Refrigeration and (2) Universal R-410A Safety Training & Certification. The R-410A certification is not a program completion requirement, but is strongly encouraged.

Career Outcomes:

This program prepares students for entry-level positions, such as heating, ventilation, air conditioning, refrigeration, and preventive maintenance technicians.

Welding

Diploma

Instructional Weeks: 36
Normal Time to Complete: 40
Delivery Method Offered: Hybrid

Program Objective

The welding program provides students with training in various processes including Gas Metal Arc Welding (GMAW)-MIG, Shielded Metal Arc Welding (SMAW), Gas Tungsten Arc Welding (GTAW)-TIG, Flux Cored Arc Welding, Oxyfuel Welding and Cutting and Pipe Welding. The content includes, but is not limited to, employability skills, safe and efficient work practices, blueprints reading, identifying metals and basic shop skills.

Lab activities are an integral part of this program and provide instruction in the various processes, use of current industry standards, practices and techniques. This program involve a combination of hands-on lab work and related classroom instructions. While not required for employment, students will receive OSHA 10 safety training and CPR First Aid training.

The program is 36 weeks long and consists of nine modules. Each module is 80 hours and is conducted in a classroom and laboratory environment on campus. Tests and/or quizzes are administered weekly during each didactic module; however, there is no final examination for the program. Additionally, there is no externship for this program as all practical experience will be conducted in a lab setting.

Career Outcomes*
The Welding program prepares the student for entry-level positions, such as welders, solders, brazing and machine setters, operators, cutters, welder fitters and tenders

Totals 720 Clock Hours 27 Semester Credit Units

1 An additional 60 hours of outside work is assigned for each didactic module.
2 All students must complete module WD 110 before entering any other module.
* Graduates with adverse driving records or prior criminal background convictions, including driving under the influence, may have difficulty finding employment in the field.
Course Descriptions

Diploma Course Numbering
Courses are listed using the following numbering system:

AT  Automotive Technician courses
BA  Business Office Administration courses
CJ  Criminal Justice courses
DA  Dental Assistant courses
HVC Heating, Ventilation and Air Conditioning
MA  Medical Assistant courses
MB  Medical Billing & Insurance Coding courses
WD  Welding

100—199........First level courses
Legend for breakdown of hours: 00/00 lec/lab/extern
Lec: lecture hours; Lab: laboratory hours; Extern: Externship hours

Course Descriptions

Automotive Technician

Module 4.0 units 40/40 lec/lab
AT110 Engine Theory and Systems
Key events in the design and development of the automobile are reviewed, including the construction and manufacturing process. Students are introduced to the basics of engine design, evaluation, diagnosis, disassembly, and cleaning. The theory and service of the upper and lower ends of the engine are studied in detail. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT120 Electrical Theory and Diagnosis
This module covers the basic principles and terms of automotive electrical systems as well as their diagnosis and service. Electrical components covered include batteries, charging systems, lighting, and electrical instrumentation. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT130 Engine Performance and Ignition Systems
Fundamentals of the major engine performance systems and components are introduced. Students learn how the information gathered from on board diagnostic systems, scan testers, and symptom charts will aid them in evaluating engine problems. Ignition system diagnosis and service are reviewed. This course also discusses the importance of active and passive passenger restraint systems. The identification and use of hand tools and key shop equipment is also reviewed. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT140 Fuel Systems and Emission Control
The functions of fuel delivery, electronic fuel systems and fuel injection diagnosis and services are covered in this course. The importance of the proper operation of intake and exhaust systems is highlighted. In addition, emissions control systems diagnosis and service are also covered. Electric, hybrid and fuel cell vehicles and alternative fuels are examined. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT150 Steering, Suspension and Passenger Comfort
This course centers on the single point of contact between the road and the vehicle: tires, wheels and the associated steering and suspension systems. The student will understand how the suspension and tires need to react to existing driving conditions. Manual and power-assisted steering systems are examined. The procedures for conducting an accurate wheel alignment will emphasize the benefits of proper service techniques. Diagnosis and servicing of automotive heating and air conditioning systems are also reviewed. Diagnostic equipment and tools used with these systems are discussed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT160 Brake Systems
Students are introduced to the basic scientific theories and mathematical calculations underlying automotive function, design, and operation. Braking systems, including hydraulic, drum, disc, and antilock assemblies are detailed. Inspection, servicing and preventive maintenance are emphasized. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
AT170 Manual Transmissions
The major components of manual transmission systems are explored in this course. Students will understand the functions of the clutch, flywheel, transaxle, differential, and CV joints. Transmission and transaxle design and basic gear theory are investigated. Diagnosis and service of clutch and manual transmission problems are covered including disassembly, repair, and reassembly. Diagnostic equipment and tools used with these systems are
reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab  
AT180 Automatic Transmissions  
The components and operation of automatic transmissions and transaxles is the focus of this course. Torque converters, planetary gear controls, linkages, transfer cases, and sensors are among the components that will be discussed. Electronic automatic transmissions are reviewed. The student will be introduced to transmission/transaxle design and function for hybrid vehicles. The components of four- and all-wheel drive systems, and their advantages, are investigated. Diagnosis, disassembly and reassembly of systems are highlighted as well. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab  
AT190 Preventative Maintenance and Hybrid Technology  
Proper preventative maintenance and basic service procedures and detailed in this course. Hybrid vehicles are reviewed, including the evolution of hybrid technology, as well as diagnostic and safety procedures. Also highlighted is the role of the automotive technician within the service facility including professional communication techniques, managing workflow and working as part of a service team. Diagnostic equipment and tools used with these systems are reviewed, as are the essentials of shop safety and accident prevention procedures necessary when servicing these systems. There are no prerequisites.

Business Office Administration

Module 4.00 units 40/40 lec/lab  
BA 110 Accounting Principles  
Students learn the basic accounting concepts and principles in a computer environment using the commercial accounting software QuickBooks. Students will gain proficiency in QuickBooks and basic bookkeeping functions. AR/AP, invoicing, collections, cash receipts, financial statements, balance sheets, reconciliations. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 120 Excel Fundamentals  
In this module students will learn common uses of Excel in an office environment such as such as creating address books, mailing lists, inventory lists, and tracking expenses. Students will learn about functions, formulas, and charts. Students will identify problems and structure spreadsheets to solve and display a solution. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 130 Spreadsheets for Finance  
This module introduces students to the financial functionality of Microsoft Excel how to apply those skills to business applications such as reporting, and the automation of accounting and financial tasks. Students will learn the differences between Google Sheets, and Microsoft Excel. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 140 Business Applications  
In this module students will be introduced to various office applications and use of the applications in a business environment to create documents, publications, and complete tasks that require the use of a word processor. Students will develop proficiency in Microsoft Word, Adobe Acrobat, and Google Apps, will be explored. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 150 Office Administration  
This module includes practical training in basic business functions of office operations Working knowledge of office equipment, like multifunction printer’s mailroom equipment, shredder and projectors. Students will learn how to schedule and set up meetings, business travel and office inventory. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 160 Customer Service & Ethical Business Practices  
In this module students will learn about effective customer service with internal and external customers. Students will develop proficiency in Microsoft Outlook, learn conflict resolution methods, structuring information, problem solving, general practices in business etiquette (avoiding controversial subjects, discrimination. Prerequisites: None

Module 4.00 units 40/40 lec/lab  
BA 170 Communications  
Students will learn the principles and styles of effective written and verbal business communications and group presentations. Students will develop proficiency in Microsoft PowerPoint, Skype, and typing skills and learn to effectively use graphical representation, concise language, impactful body language, and voice tone when presenting & communicating and text and phone etiquette. Prerequisites: None

Module 5.50 units 0/0 lec/lab externship hours 250  
BA 190 Externship  
Externship is the final module following successful completion of classroom training and is designed to provide a realistic workplace environment in which the student will refine technological, procedural, decision-
making, and interpersonal skills. On the job externships are completed in approved facilities that provide students with the opportunity to apply the knowledge and skills acquired during the training program. Externs work under the directed supervision of school personnel and are evaluated on skill performance, subject knowledge, professionalism, and participation/attendance. All absences during the externship must be made up. Externship evaluations become part of the student’s permanent record. Satisfactory completion of externship training is required for graduation. Prerequisites: Successful completion of modules BA110-BA170.

Criminal Justice

Module 4.00 units 40/40 lec/lab
CJ 110 Private Security
This course explores private security through an in-depth examination of the various operations conducted by private security professionals. Students explore the origin and history of private security and evaluate the business and ethical concepts involved in security. Potential civil and criminal liability issues as well as the legal powers of private security officers are covered. The fields of Private Security are compared and contrasted. In addition, students are trained on legal aspects, Patrol techniques, Report Writing, liability, and company requirements relating to the arrest of an individual utilizing the Department of Consumer Affairs' Powers of Arrest Training Manual. There are no prerequisites.

Module 4.00 units 40/40 lec/lab
CJ 120 Corrections
This course explores the programs, services, facilities and organizations responsible for managing people accused, or convicted, of committing crimes. Students will compare and contrast theories of corrections as well as develop practical skills in prisoner management. The difference between detention facilities, Jail facilities, and correctional facilities will be identified. Ethical and legal implications faced in corrections and detention systems will also be assessed. In addition, students are trained in the use of Handcuffs, ankle cuffs, Chemical Agents and how to apply, decontaminate, document, and report them. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 130 Crime Scene Technology
In this course students will practice and develop skills in basic forensic and crime scene processing activities that may be used to investigate crimes and accidents, or for other risk management related investigations on scene. Students will learn the fundamentals of recovering fingerprints, blood spatter, ballistics, crime scene sketching and incident scene protection and security. Also, collection, and preservation of evidence, as well as entomology and trace evidence and the importance of both. How to interview witnesses, search for suspects, make arrests, interrogate suspects, identify leads and maintain a chain of custody. Emphasis is placed on communication skills, professional conduct and problem-solving skills that play a vital role when working at a crime scene. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 140 Investigations and Surveillance
This course teaches the fundamental details of how criminal investigations are conducted and what role, evidence, information, surveillance and undercover operations play in them. Students will be introduced to commonly used tools, techniques and methods of investigation, such as crime scene evidence, reports, and interrogations. Students will also learn to distinguish between different types of investigations depending on the kind of incident or crime. Students will progress from a simple trespass incident to an advanced robbery/shooting investigation. Emphasis will be placed on workplace soft skills which are of particular importance in an investigation including effective communication with others, conflict resolution, problem solving, and overall professionalism. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 150 Legal Studies for Justice and Security
This course will introduce the student to the Criminal Law system. The student will gain an appreciation for the manner in which the criminal law is applied to uncover justice in our society. Students learn the classification of law, Part 1 crimes and the elements that define those laws and their statute of limitations. The student will learn Constitutional law including amendments, warrants, and their exceptions, as well as exigent circumstances. The student will explore case law and develop an understanding for “letter of the law” and “spirit of the law”. The aspects of Liability and criminal liability will be discussed along with the defenses used against liability. The state of American Law, the court system, and the corrections system are covered, as are methods of measuring crime and victimization. Students will also consider new and emerging challenges for the criminal justice system. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 160 Homeland Security and Terrorism
This course is a study of the nature of terrorism, its past and present, and the measures being taken to fight and prevent it. Students learn the underlying reasons for terrorist activities, the methods used by terrorists, the sources of financing for terrorists, as well as the role of the media in terrorism. The terrorist activities of the past and the most current terrorist issues of today are examined. A detailed overview of the methods used to counter terrorism is also provided, with particular
emphasis on Homeland Security. Students will learn the importance of Threat Assessment and how they are conducted. Throughout the course emphasis is placed on interpersonal skills such as communication with co-workers, superiors, and others, problem solving, and conflict resolution are typical within the workplace setting. In addition, students are trained on the observation skills required to identify and report precursor activities to a terrorist event, react appropriately, report the occurrence of a terrorist event, and remain safe while helping control the scene after a terrorist event. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 170 Criminology
This course focuses on the concepts and theories relating to the nature and extent of crime. The topic is examined in the context of the legal system as well as from the perspective of the victim. Students explore the main theories regarding the causes of crime, and learn to distinguish between different types of crime. The role and function of the criminal justice system is also presented. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 180 Gangs and Drugs
This course focuses on gangs and their criminal activity in American society. The underlying reasons for the existence of gangs in society are explored as well as the strategies for preventing and eliminating them. Students also learn to distinguish between different types of street drugs associated with the gang subculture, explain the threats and dangers they pose, as well as identifying the connection with prison gangs and the law enforcement measures used to prevent their proliferation. An analysis of drugs in the workplace, their policy, and an explanation of the sociology and psychological effects of drug abuse. The enforcement options are also included along with ethical and legal implications faced in controlling gangs and their drug trade in corrections and the detention system. Prerequisites: None

Module 4.00 units 40/40 lec/lab
CJ 190 Communications for Security Professionals
In this course students learn the most important skills required in justice and security and that is communications. The various methods and means of communication are studied and practiced, including verbal and non-verbal. Students learn the communication techniques used in interviewing and interrogating criminals, suspects and witnesses. The use of modern technology in communications is discussed, as well as the issue of communicating with special groups in terms of age and cultural diversity. Students will also learn the art of security emergency dispatching. Students will learn radio codes and how to operate a portable radio. Students will be exposed to handling domestic violence situations, missing persons, as well as Critical Incident situations. The use of modern technology in communication is discussed and practiced in lab, as well as special groups, age specific challengers and cultural diversity. Prerequisites: None

Dental Assistant

Module 4.5 units 45/45 lec/lab
DA 110 Dental Science/Medical Emergencies
This module encompasses the study of human development including the development of two sets of teeth: the primary and permanent dentition. Students also study facial structure, the oral cavity, anatomy of the teeth and the function of the supporting structures. Methods for taking and recording vital signs and blood pressure are introduced, as well as placement of the patient sensors for use with the EKG device during surgical phase of dentistry. Students also learn about CPR for the Healthcare Provider and how to manage emergencies that may occur in the dental office. Career skills, basic keyboarding and computer skills taught relate to the dental office. Prerequisites: None

Module 4.5 units 45/45 lec/lab
DA 120 Chairside Assisting
Methods of disease transmission, body defenses, and diseases of major concern to dental personnel are stressed along with the prevention of disease transmission. Microbiology is covered through pathogens and modes of disease transmission. Students practice step-by-step instrument decontamination using approved sterilization agents and methods. Students learn operatory disinfection using approved agents and methods. Proper positioning of the patient and staff during dental procedures is taught with an emphasis on the principles of four-handed dentistry, including materials and instrumentation. In addition, students learn to chart the oral conditions of patients in compliance with state guidelines for mouth mirror inspection using an intraoral camera. Students will practice placing and activating chairside whitening with a non laser light curing device. Introduction of tooth morphology, oral structures, and oral pathology are presented. Prerequisites: None

Module 4.5 units 45/45 lec/lab
DA 130 Radiography
This module introduces students to the basic anatomy of the head and teeth in order to familiarize students with the anatomical structures involved in dental radiographs. Hands-on care of film, equipment, and related infection control steps during film exposure. Students will learn the parts of an x-ray machine, the properties of x-radiation and factors that affect the density and contrast of an x-ray. Hands-on experience is given in radiographic techniques and processing of x-rays including basic principles of intraoral
radiography. Students are also introduced to digital radiography.  

Prerequisite: None

Module 4.5 units 45/45 lec/lab  
DA 140 Dental Material  
Students will learn about laboratory equipment, basic laboratory procedures, and materials used in a dental office. Students receive hands-on training in taking impressions and constructing study and master casts. The casts are then used to practice dental procedures such as the fabrication of custom trays, mouth guards and bleaching trays. Study of infection control standards in the laboratory setting and OSHA regulations are stressed. Proper techniques in measuring and mixing restorative dental products such as cements and liners as well as mixing stone and plaster are covered. Students will fabricate and place temporary crowns.  

Prerequisite: None

Module 4.5 units 45/45 lec/lab  
DA 150 Preventative Dentistry  
This module emphasizes maintaining optimum oral health. General nutrition, food groups, dietary evaluation, and oral nutritional deficiencies are covered with an emphasis on teaching the patient personal oral hygiene, tooth-brushing techniques, plaque control, and applying fluoride. Coronal polishing theory and procedures are taught, a hands-on procedure in which plaque and stains on the surfaces of the teeth are removed from the coronal surfaces of the teeth. Pit and Fissure theory and procedures are taught and practiced on manikins and then on clinical patients under the direct supervision of a licensed Registered Dental Assistant using a caries detection device. Completion of Pit and Fissure and Coronal Polishing requirements will permit the assistant to perform the procedure after obtaining the Registered Dental Assistant license.  

Prerequisite: None

Module 4.5 units 45/45 lec/lab  
DA 160 Dental Specialties  
This module discusses the various specialized areas of dentistry so students may determine their area of interest and establish their career path. In Endodontics, the student studies diagnosis, testing pulp vitality, endo-cultures, drying root canals and instrumentation setups for root canal therapy. Oral Surgery and Implants is the study of surgeries of the oral cavity and advantages and disadvantages of implants. Pedodontics, the study of children’s teeth, emphasizes both preventive and restorative techniques as well as the child patient. Orthodontics is covered with the different phases of orthodontic treatments.  

Prerequisite: None

Module 4.5 units 45/45 lec/lab  
DA 170 Prosthodontics/Administrative Assistant  
During this module the students will be introduced to dental office management with an emphasis on the front office role. Skills included are computer skills, keyboarding, appointment scheduling, telephone techniques, inventory control and insurance and billing procedures. Prosthodontics as a specialty is presented with instruction in crown and bridge procedures and full and partial dentures. Students will also be introduced to Facebook transfer, denture adjustment and CAD/CAM imaging. Students are fully trained in the HIPAA guidelines. Career skills, basic keyboarding and computer skills taught relate to the dental office.  

Prerequisite: None

Module 3.5 units 170 extern hours  
DA 190 Externship  
Externship is the last module of training the student completes. This module immediately follows the successful completion of classroom training. Externships are served in approved facilities that provide the students with the opportunity to apply skills and knowledge acquired during the program. Externs work under the direct supervision of qualified personnel at the participating sites and under general supervision of school personnel. Externs are evaluated on skill performance, subject knowledge, professionalism and attendance. All absences during the externship must be made up. Externship evaluations become part of the students’ permanent record. Satisfactory completion of externship training is required for graduation.  

Prerequisite: Successful completion of modules 110 - 170

Heating, Ventilation and Air Conditioning

Module 3.5 units 30/50 lec/lab  
HVC 130 Basic Electricity, Motors and HVAC Controls  
An introduction to electricity and automatic controls. Content includes: electrical components, household wiring, wire sizing, series and parallel circuits. Included in this course is hands-on experience with electrical tools and meters. On the controls side the course is designed to develop familiarity with electrical current and an understanding of electrical current flow and its effects as it interacts with various components of a circuit. The student will develop a basic understanding of motors and their starting devices, and troubleshooting principles and basic understanding of HVAC control devices and how they affect the operation of HVAC equipment.  

Prerequisite: None

Module 3.5 units 30/50 lec/lab  
HVC 135 Basic Refrigeration Theory and Application  
This course is designed to familiarize students with basic industry tools and their proper and safe use. The student will be using these tools to complete lab assignments and introduce basic refrigeration principles, refrigeration theory, characteristics, and properties of refrigerant. Emphasis will be placed on
system evacuation, and compressor component replacement and system charging. The application of refrigeration theory is also covered in this course. Prerequisite: None

Module 3.5 units 30/50 lec/lab
HVC 140 Air Conditioning, Troubleshooting and Heat Pump Systems
This course covers principles of residential air conditioning systems. Content includes evaluation and hands-on and classroom experience in use of psychrometrics, residential and light commercial air conditioning equipment types and installation. In this course the students will be introduced to the heat pump application and its components. Lab focuses on systems operation, and performance problems. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 145 Heating Systems
This course is designed to introduce the student to basic concepts of heating with gas, electric and oil used primarily in residential applications and the principles of combustion. Topics include the basic of gas heating systems, operation of gas valves and burners. This course also includes lessons related to combustion chemistry, heating fuels natural gas and LP gas-burning equipment, start-up, sequence of operation and equipment maintenance troubleshooting. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 150 Duct Design, Blueprint Reading and Load Calculation
This course covers equipment used for the distribution of air. Course content includes: blower performance; static and dynamic pressures and pressure drop due to friction; sizing and selection of ductwork and blowers, diffusers, registers and grilles; and evaluation of system performance. This course also assists students in developing a basic understanding of how to read and interpret blueprints and load calculations. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 155 Commercial Refrigeration Systems
This course covers the fundamentals of refrigeration equipment found in commercial systems. It teaches students the different components used in commercial applications such as start-up, installation and defrost cycle needed. Safety for the technician, customer, and equipment are also covered. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 160 Specialized Commercial Equipment and Green Awareness
This course is designed familiarize students with the specialized refrigeration equipment principles that they will face in the industry and how to apply it to properly diagnose system operation. Lab focuses on systems, performance problems and to increase awareness of alternative forms of heating and air conditioning that are more environmentally friendly presented in Green Awareness. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 165 Regulation and Building Automation
This course is designed to prepare students to take the R-410A safe use certification test. Content includes chemicals: HCFC-22, commonly known as R-22, used generally in air conditioning equipment; and R-410A refrigerant, which replaces HCFC-22. Focus is on safe use of R-410A. Course content also emphasizes the importance of OSHA standards. Preparers for the EPA 608 certification exam to permit handling and transport refrigerant. This course also covers a building automation and the new controls used in building maintenance. Prerequisites: HVC 130, HVC 135

Module 3.5 units 30/50 lec/lab
HVC 170 Electrical and Mechanical Troubleshooting
This course is designed to help the students, troubleshoot and diagnose equipment malfunctions. The student will learn how to distinguish between an electrical problem compared to a mechanical problem in the troubleshooting techniques. During this course the student will be able to write a service order and explain the work completed to the customer. Prerequisites: HVC 130, HVC 135

Medical Assistant
Module 4.0 units 40/40 lec/lab
MA 110 Administrative Medical Assisting Duties
In this module, the student will learn the basics responsibilities of the medical assistant and the duties performed by them on the job. Students will learn the basics of medical law and ethics and the importance of documentation in the workplace. The student will get a basic understanding of HIPAA law and improve their communication skills. The student will practice the related concepts in the laboratory including injections, venipuncture, asepsis technique and triage as well as computer career skills regarding keyboarding, front desk and back office check in and check-out procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 120 Introduction to Anatomy & Physiology
During this module, the student will gain a better understanding of the anatomical system and the
manner in which the body works. This module teaches students about the mechanical functions of the body and how pathophysiology takes its toll on creating illnesses. There are also descriptions on radiology and how the medical assistant may better prepare a patient for radiological procedures. The student will practice the related concepts in the laboratory regarding injections, venipuncture, asepsis technique and triage as well as computer career skills regarding keyboarding, front desk and back office check in and check-out procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 130 Office Environmental Safety, Infection Control and Laboratory
This module describes the effects of contamination on the body, as well as the effects on the patients and the medical assistant. The purpose of the module is to teach patient and staff safety against viruses and/or dangerous bacteria. The student will learn basic forms of microbiology and the lymphatic system as well as preventative aseptic technique and instruction tools for a healthy practice. The student will practice these concepts in the laboratory regarding injections, venipuncture, aseptic technique, and triage. The student will also practice computer career skills regarding keyboarding and front desk and back office check-in and checkout procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 140 Psychology and Special Senses
Student will gain a better understanding of nerves, psychology, and the effects of medications on the body, as well as where the medications target. Psychology and its effect on the patient are studied, as well as a patient’s two most used sense organs; the eyes and the ears. The student will practice the related concepts in the laboratory regarding injections, venipuncture, aseptic technique and triage as well as computer career skills regarding keyboarding, front desk and back office check in and check-out procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 150 Medical Management
This module helps the student with managerial and bookkeeping techniques including finances, insurance, and accounts receivable. This helps the student understand the structure of a facility and the importance of quality work to increase revenue in their workplace. The student also explores the digestive system and the pathologies affecting it, as well as the urinary system. The student will practice the related concepts in the laboratory regarding injections, venipuncture, aseptic technique and triage as well as computer career skills regarding keyboarding, front desk and back office check in and check-out procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 160 Clinical Medical Assisting Duties
This is the CPR module that prepares the student for emergencies and preparations in resuscitation in the field. The student gets an overall experience in the understanding of the cardio-pulmonary system as well as learning about nutrition and its effects on the cardio-pulmonary system. The student will practice the related concepts in the laboratory regarding injections, venipuncture, aseptic technique and triage as well as computer career skills regarding keyboarding, front desk and back office check in and check-out procedures. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MA 170 Pharmacology and Office Emergencies
This module covers the topics of reproductive health and the endocrine system. There is also information about mathematics that deal with pharmacology and the effects of pharmaceuticals on the endocrine system and the body. This module helps students expand their acceptance and responsibility in back-office procedures in the workplace. Students will practice the related concepts in the laboratory regarding injections, venipuncture, aseptic technique, and triage as well as computer career skills such as keyboarding, front desk and back office check-in and checkout procedures. There are no prerequisites.

Module 5.50 units 250 extern hours
MA 190 Externship
Externship is the final module following successful completion of classroom training and is designed to provide a realistic workplace environment in which the student will refine technological, procedural, decision-making, and interpersonal skills. On the job externships are completed in approved facilities that provide students with the opportunity to apply the knowledge and skills acquired during the training program. Externs work under the directed supervision of school personnel and are evaluated on skill performance, subject knowledge, professionalism, and participation/attendance. All absences during the externship must be made up. Externship evaluations become part of the student’s permanent record. Satisfactory completion of externship training is required for graduation. Prerequisite: Successful completion of modules 110-170
Medical Billing and Insurance Coding

Module 4.0 units 40/40 lec/lab
MB 110 Insurance Billing
This module is designed to familiarize students with the insurance claims forms for a variety of providers, including Group Plan Insurances, PPOs, Worker's Compensation and Federal and State Disability. HIPAA training and the basics of health insurance are covered in this module. Students will experience hands-on training in handling claim forms such as the CMS-1500 and will learn to use one of the most popular billing software programs. Students will be introduced to the basic anatomy of the human body, prefixes, suffixes, abbreviations, and the organization of the body. Students will also learn to bill and code for procedures and diagnoses relating to surgery and anesthesia. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 120 Insurance Coding Principles
This module is designed to teach students complex coding principles and the use of the CPT, ICD-10, and HCPCS coding manuals. Students will learn to code diagnoses and procedures accurately for the purpose of billing the responsible insurance. Students will learn to use one of the most popular billing software programs. Students will be introduced to medical terminology, word parts, abbreviations and symbols. Students will also to bill and code for procedures and diagnoses relating to the integumentary system. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 130 Medical Laws and Ethics
In this module, students will learn the basic laws and ethics governing the medical field, including professional behavior, confidentiality, doctor-patient relationships, malpractice and breach of contract. Students will learn to use one of the most popular billing software programs. Students will become competent in CPR (cardiopulmonary resuscitation). Students will learn about oncology, the blood and lymphatic system, the respiratory system, the cardiovascular system and will also learn how to bill and code for procedures and diagnoses relating to these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 140 Documentation and Records
In this module, students will learn about the medical documentation process. Students will experience hands-on electronic health records standards and advanced techniques using EHR software. Students will learn about the paper claim and medicine. Students will learn about the skeletal system, the muscular system, the eye, ocular adnexa, auditory, and operating microscope. Students will also learn how to bill and code for procedures and diagnoses relating to these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 150 Medical Billing and Collections
This module focuses on the regulations governing the collections process. Students will learn to verify insurance information, perform pre-admission authorizations and billing follow-up. They will study receipt of payment issues in the collections area and track reimbursements. Students will learn to use one of the most popular billing software programs. Students will learn about radiology, nuclear medicine, inpatient hospital services and ICD-10 principles. Students will also learn how to bill and code for procedures and diagnoses related to these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 160 Insurance Practices
This module is designed to familiarize students with the insurance claim forms for Medicare, Medicaid, The Blue Plans, Private insurance, Managed Care Plans and the TRICARE and CHAMPVA programs. Students will learn to use one of the most popular billing software programs. Students will learn about the digestive system, the urinary system and the male reproductive system. Students will also learn how to bill and code for procedures and diagnoses related to these systems. There are no prerequisites.

Module 4.0 units 40/40 lec/lab
MB 170 Medical Office Procedures
This module is designed to teach students basic medical office procedures. Topics covered include the use of office equipment, such as copiers, fax machines and calculators. Students will study the proper handling of patient records, filing and managing telephone calls. Students will study dental services and dental claims. Students will learn about the endocrine system, the nervous system, obstetrics and the female reproductive system. Students will also learn how to bill and code for procedures and diagnoses related to these systems. There are no prerequisites.

Module 5.50 units 250 extern hours
MB 190 Externship
Externship is the final module following successful completion of classroom training and is designed to provide a realistic workplace environment in which the student will refine technological, procedural, decision-making, and interpersonal skills. On the job externships are completed in approved facilities that provide students with the opportunity to apply the knowledge and skills acquired during the training programs. Externs work under the supervision of qualified personnel at the participating sites and under the general supervision of school personnel. Externs are evaluated on skill performance, subject knowledge,
professionalism, participation and attendance. All absences during the externship must be made up. Externship evaluations become part of the student’s permanent record. Satisfactory completion of externship training is required for graduation. Prerequisite: Successful Completion of Modules 110-170

Welding

Module  3.0 units 20/60 lec/lab WD 110 Welding Principles and Safety
This module introduces the students to the basic principles of Welding, the different welding processes and employment in welding. The module will address workplace safety and safe operating procedures. Additionally, this module provides students with training in OSHA 10 regulations and CPR First Aid training. Students will be instructed on storing and moving equipment, shielding gasses and storing fluids in a safe manner. This module also teaches the safe use of many welding tools and the different types of welding equipment. This course will cover the characteristics of hazardous wastes and its safe handling, storage, and disposal. Prerequisite: None

Module  3.0 units 20/60 lec/lab WD 120 Welding Blueprint Reading and Planning
This module teaches students the basic elements of a welding blueprint, which consists of drawings and welding symbols, and how to read them. The module introduces students to planning procedures including reading a working drawings, selecting materials and procedural steps. Students read and apply a drawing to a project. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 130 Gas Metal Arc Welding
This module teaches students the gas metal arc welding (GMAW) or MIG welding process, including equipment, welding terms and safety procedures. Students will learn setup, operation and perform bead, single and multiple pass butt and tee, lap and outside corner welds in the flat, horizontal positions. Students will learn how to produce single V-groove butt joint welds in the vertical up, flat and horizontal position. Fillet lap and T-joint welds in the horizontal and vertical down position will be included. Students will also be able to utilize the spray transfer method to produce fillet lap joint welds in the flat and horizontal position and single V-groove welds in the flat position. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 140 Shielded Metal Arc Welding
This module teaches students the shielded metal arc welding (SMAW) process utilizing low-hydrogen (E-7018) and non-low-hydrogen (E-6010) electrodes, including, various welding equipment, welding terms and safety procedures. Students will learn how to strike and control arc to produce quality welds. Students will learn how to deposit a pad of beads in the flat position. Students will be able to produce lap joint fillet welds in the horizontal position and a padded plate of beads in the flat position. Students will learn how to produce fillet welds in lap and T-joints, stringer beads, and square-groove welds in butt joints using the shielded metal arc welding process. Multi-pass fillet welds in lap and T-joints will be covered. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 150 Flux Cored Arc Welding
This module teaches students the flux cored arc welding (FCAW) process, including equipment, welding terms and safety procedures. Students will learn how to produce single-V-groove butt joint welds using self-shielded tubular electrode wire. Students will also produce fillet weld lap joints and single-V-groove butt joints with metal-cored wire and single-V-groove welds in butt joints. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 160 Gas Tungsten Arc Welding
This module teaches students the gas tungsten arc welding (GTAW) process including equipment, terms and safety procedures. Students will learn how to setup, adjust and shut down gas tungsten arc welding equipment. Students will be able to deposit stringer beads in the flat position, produce fillet weld lap joints in the flat and horizontal position and produce fillet weld outside corner joints in the flat position. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 170 Welding Alloys
This module teaches the fundamental principles of joining ferrous and non-ferrous alloys, including equipment, welding terms and safety procedures. Students will learn how to use the correct tools and equipment for cutting and beveling joint during fabrication. Metallurgy will also be covered. Prerequisite: WD 110

Module  3.0 units 20/60 lec/lab WD 180 Oxy-Fuel Welding and Cutting Processes
In this module students will be introduced to the oxy-fuel welding process and other less common processes along with their most common usages in the industry. Cutting processes along with their advantages and disadvantages will be described. Students will learn how to produce fillet welds in lap and T-joints, stringer beads, and square-groove welds in butt joints using the shielded metal arc welding process. Multi-pass fillet welds in lap and T-joints will be covered. Prerequisite: WD 110

</tbody>
</table>

This module introduces students to the principles and practices of metal fabrication including layout and design techniques, while emphasizing proper operation of drilling, cutting, threading, grinding, and related equipment. Students are exposed to basic design techniques used to fabricate basic metal projects, measurement, basic shop math, and related trade applications. *Prerequisite: WD 110*

UEI programs are designed to help ensure you are prepared for licensure, certification, or registration if you choose a program that prepares you for a field where licensure, certification, or registration is required or optional. While, the credential chart below serves as a guide for the State of Nevada, requirements for other states may vary. Students are responsible for confirming eligibility for licensing, certification or registration and discuss any concerns with your Admissions Representative and/or the Director of Education. Students are also responsible for obtaining the most recent application requirements for any state in which they intend to become employed. Although the school assists students/graduates with obtaining licensure, the ultimate responsibility for securing licensure is that of the student/graduate.

**UEI has not made any determination regarding the licensure, certification, or registration requirements for any state other than the state of Nevada in which the institution is located.**

United Education Institute
2021 School Catalog Addendum

Amendment to the January 25, 2021 School Catalog

This bulletin is an integral part of the Institute's Academic Catalog. The purpose of this bulletin is to amend current information or include additional information in the catalog. The information published herein is effective 1/29/21.

Page 21: The Back to School Scholarship has been added to the catalog.

Back to School Scholarship ($2,000)
This scholarship is offered to students who dropped 1/31/21 and prior from any program formally offered by the campus and qualifies for re-entry. The student must re-enter in the prior dropped program of study by February 28, 2021. A student eligible for the Back to School Scholarship is not eligible for any other institutional scholarship.
